Acton, Captain Goofy, Warren Hitchcock, president of Goliger's Travel, Brampton, Doreen Long of Georgetown, Sharon Pinkney of Erin, Angie Brevetti of Brampton and Brenda Gogan of Georgetown. With Pluto is Disney hostess Arla Henley.

Local students receive Visions Canada Award

1993 Visions Canada Awards were presented to 25 entries in a special ceremony at Halton Region Museum, June 7. The 25 chosen demonstrated innovative and relevant ideas on the past, present and future of Canada. Representatives from both Halton Boards of Education and the Region of Halton presented Canadian mint coin packages to recipients from Kindergarten to

O.A.C. This year's local winners are: Kindergarten - Grade 3: Alanna McCracken, Grade 3, Park School, "Canadian Symbols" (project); Laura Simmons, Grade 3, Holy Cross School, "Canada My Home" (poem). Grades 4-6: Mike Adair, Grade 4, George Kennedy School, "Le Canada" (poem); Laura Shields, Grade 4, George Kennedy School,

"Canada Mon Pays" (poem); Brian Cole/Michael Long, Grade 5, St. Francis of Assisi, "Canadian Jeopardy" (video). Grades 9-10: Milissa Hill, Grade 10, Acton District High School, "French-English Relations" (essay). Grade 11 - O.A.C.: Steven Robertson (O.A.C.), Georgetown District High School, "William Lyon Mackenzie" (essay).

It's Rock Solid

So when are you going to get it together? Ahem! - here's a good start. This dumsome gives you AM/FM, cassette, and a 6 pak CD player for up to 7 hours of continuous play. All with enough good, clean power to JUST DO IT! Sounds like radical diversity to me.

Attitude. It's what your dash is going to gain when you drop in Pioneer's new high power KEH-2500. Handles cassette, AM/FM stereo and up to 4 speakers with power fader (25wX2 or 15wX4).

The Bimmer 850 on a WV budget? No Way! Yes Way!!! - this is it! All the basics with an HPX cassette head and 24 station FM/AM presets.

Next time someone pulls up at a light and asks, "Watts on tap", give them your best response with Pioneer's bridgeable GM-H22. It's kinda like a dose of electronic steroids with a max. power of 140W and 3 channel operation. Fan cooling and versatile mounting all add up to high current, kick amp performance.

If you're any kind of power junkie, all Pioneer's bridgeable GM-H50 takes is a little squeeze. what kind of squeeze? How about loading it up with just about any number of speakers your car has room for! Max juice is 160Wx1 with a super clean S/N of 100 db.
