Radio days June 26-27

Once again the Halton Amateur Radio Club (HARC) will be involved in the North American event called Field Day. This event covers a 24 hour period from 2 p.m. Saturday, June 26 until 2 p.m. Sunday, June 27.

Their location will again be in front of the Gordon Alcott Arena.

The purpose of Field Day is to test the club's ability to operate under adverse conditions. It prepares them for the day when/if disaster strikes and members find themselves providing lifesaving communications without the benefit of commercial electric power or even a decent shelter to operate in.

Hams throughout the U.S. and Canada will set up temporary stations operating under emergency conditions, many using emergency power.

Artist helps out

Local artist Jacquie Cameron of Hawthorne Hill Studio has kindly donated an original watercolor to St. John's Church, Stewarttown. Accepting the painting, which will be used for a fundraising raffle, is Rev. Tim Morgan. Photo submitted
