# Host families needed

By JANET BAINE  
Staff writer

Host families are still needed in Halton Hills for a group of Japanese university students who will be in Georgetown July 13 to August 10.

This is the third year Georgetown has hosted Japanese students, and this year 38 are expected to arrive.

The students are 20 to 21 years old and are from Fukuoka, a town on the south island of Kyushu in Japan. There will be 29 girls and nine boys coming, said Judith Gooding, a teacher at GDHS, who is organizing their program.

"We're looking for people who are willing to share the Canadian lifestyle and provide room and board and conversation," Gooding said. Host families are volunteers and over half of them have already been found.

"(The Japanese students) are perfect guests, their whole cultural is about getting along and fitting in," Gooding said. They enjoy to cook and help out with family

chores. The billets can be with families, single parents or even seniors, she said.

"The host families love it. Quite a few of them are still writing back and forth," Gooding said.

The students will attend classes in English at Georgetown High School from 9 a.m. to 4 p.m. Monday to Friday. They will make several excursions to Niagara Falls, the Guelph-Kitchener area and Canada's Wonderland, as well as sites within Halton Hills.

The exchange is arranged through Cultural Homestay Institute (CHI), a non-profit organization and the students pay their own way.

Next year Gooding hopes to arrange a reverse exchange, where people involved in the program from Georgetown would be able to visit Japan.

If you are interested in finding out more about becoming a billetting family, contact Judith Gooding at 873-4416, Fran Anthony at 877-5856, or Marilyn Rognvaldson at 853-0249.
