

SUMMER SAFETY TIPS

THIS WEEK'S TIP: POOL SAFETY

- Make sure reaching assists are readily available.
- Ensure children are supervised at all times.
- Check that pool fence is in good repair and complies with local by-laws. Ensure fence lock works properly.
- Keep pool chemicals locked away. Store them off the floor in a cool, dry, well ventilated place.
- Ensure family members know how to perform rescue breathing.
- Keep a well stocked First Aid Kit at the pool.
- Know which agency to contact in your locality in case of an emergency: fire department, police and/or ambulance service.
