

SUMMER SAFETY TIPS

THIS WEEK'S TIP:

BOATING SAFETY

Summer is boating season. This year, increase your boating safety and enjoyment. Read these suggestions and get smart on proper boating procedures.

BE EDUCATED AND PREPARED

- Take a "safe boating course"
- Carry all safety equipment required by law
- While boating include the following: first-aid kit, manual pump or bailer, transistor radio, extra fuel, paddle or oar, anchor and line, drinking water.
- Familiarize yourself and your crew with distress signals and emergency procedures. Practice putting on Personal Floatation Devices (PFDs).

TO AVOID FIRES AND EXPLOSIONS

- Handle volatile fuels carefully
- Use owner's manual faithfully
- Test and inspect for fuel leaks periodically
- Heed regulations concerning fire extinguishers, and keep them in good condition
- Do not refuel if all safety precautions are not observed

WHILE UNDERWAY

- Be extra careful on small boats, they capsize easier
- Make sure PFDs are worn at all times
- Do not operate a boat if intoxicated, fatigued or stressed
- Always keep a good lookout to avoid collisions
- Always travel at a reasonable and safe speed
- Try to avoid boating in bad weather
