## Montgomery's of Georgetown

Gifts and Collectibles

The Quest. His stomach growls, but he is  
silent. Unnoticed, the bobcat moves swiftly  
out of the trees, his mighty paws scarcely  
slowed by the thick powder underfoot, his  
eyes locked on an unsuspecting prey. Artist  
Charles Fracé offers a striking portrait of a  
peerless hunter. Porcelain rimmed in  
platinum. 20.9 cm

**73 MAIN ST. S.**

**873-9162**

## TEDDY BEAR SPECIALISTS
