### FOLLOW THESE RULES OF THE ROAD CLOSELY:

- Ride on the far right of the street with traffic and obey all signals.
- Use proper hand signals when turning and stopping. Always give the right-of-way to other moving vehicles.
- Don't wear a headset. It's important to see and hear what's going on around you and such devices may divert your attention.
- Have a white headlamp, visible 500 feet to the front, and a red reflector or red taillight, visible for 200 feet to the rear, at night so pedestrians, vehicles and other bikes can easily see you.
- Ride single file when in groups.
- Attach a bell or horn to your bike. It's illegal to have a siren or whistle.
- Make sure brakes are capable of making the braked wheels skid on a clean, level, dry surface.
- Wear a helmet for safety
