## Watch your mail closely for... the NO SURPRISES PAYMENT PLAN

It's the smart, safe and easy way to pay your hydro/water bills... and avoid "big" seasonal bills!

It's coming! It's the NO SURPRISES PAYMENT PLAN and it's a simple, pre-authorized method designed to put you in charge of your bills...

- Your hydro bill stays the same all year round - no more of those big bills falling due during peak seasons.
- You'll know, in advance, the amount of your hydro/water bill each month.
- Save time. You won't need to write any more cheques to Halton Hills Hydro.
- Save money. You'll never have to pay late charges again.

Here's how it works...

1. Check your mail for a letter including a monthly payment figure which will REMAIN THE SAME over 11 equal monthly payments for the next year.
2. Complete the form to pre-authorize these equal monthly deductions from your chequing account... and return the application card along with a blank, unsigned cheque marked "VOID".

We'll take care of the rest!

No more stamps. No more mislaid statements. No more big seasonal bills. NO SURPRISES!
