Long weekend fun

The Hall Board has a very special night in store for the young and not so young. On the Labor Day weekend they are holding a Family Corn Roast and Dance. The fun starts at 7:30 p.m. with the corn roast. Hot dogs are also on the menu with the fresh corn.

Throughout the evening, the pot will be kept boiling. At 9 p.m. the dance starts. The D.J. is "Rockin" Tom and Associates, who will be providing a nice variety of songs to suit all tastes. Tickets can be purchased ahead of time at the Ballinafad General Store. The price of a ticket gets you corn, hotdogs, and into the dance. A child's admission is \$2.50, while an adult will be charged \$5 per ticket. Besides the usual dance spot and door prizes, there will be a number prizes for children.

The corn roast is always a very special dance. It is the last kick of summer when you can sit around a camp fire. If you feel like watching the soft orange flames, smelling the wood burning, or dancing up a storm in the community centre, there is something for everyone.

Come on out! You'll have a won-

derful time.

What a game spectators were treated to this past week, when the Jim Dandies took on the Marauders. With an ending score of 4-2, there wasn't much room for errors by either team.

The Marauders started out with the lead, but then lost midway through the game. Much of the Jim Dandies success can be attributed to Kathleen Topolsek. From her centre field position, she averted many a run with some dynamic run'n catches. Kathleen also managed to slam the ball outfield to secure runs for her team. Sandra Prouse pitched the whole game, giving a real challenge to the Marauders.

Special guest will attend Georgetown's Terry Fox Run

The Georgetown Terry Fox Run Committee would like to introduce you to Greg Perrault.

At the age of 10, Greg was diagnosed with Acute Lipoblastic Leukemia, also known as A.L.L. Greg was 85 lbs. at that time but over the next few years, his weight dropped to as low as 39 lbs. His chemotherapy at The Sick Children's Hospital in June and his doctor says that after five years in remission he will be cured. The doctor's prognosis is encouraging.

Greg, or Digger as his friends call him, is now 12 and entering Grade 8 at Centennial Public School. Digger is very active in sports and especially enjoys basketball. He has many talents including public speaking. While living in Barrie, he won first prize in a city-wide competition for a speech that he wrote about cancer.

Greg will be at the Terry Fox Run on Sunday, September 19th, which begins at 9 a.m. at the Halton Hills Civic Centre.
