

Royal Bank of Canada is pleased to announce the appointment of Ms. Judy Grace as Manager Seniors Banking at our Georgetown Main St. branch. Judy is responsible for serving the many financial needs of our Seniors clientele. She replaces Mrs. Vera Shepherd who has retired.

Throughout a 15 year career at the Royal Bank, Judy has held several positions and most recently was Assistant Manager Personal Banking.

Judy will be assuming her duties as of October 12, 1993.

## Cuts won't affect service

Halton Hills ambulance service will not be affected by social contract cutbacks.

"So far it's fine. Anything can change if Bob Rae changes his mind," said Doug McLeod, president of Halton Hills Volunteer Ambulance Service Inc.

Currently there the ambulance crew for Halton Hills is paid from Monday to Friday, and volunteers cover on evenings and weekends, McLeod said. While the 4.5 per cent social contract cuts were originally imposed on ambulance services by the province, "all the funding has been reimposed," he said.

"Nobody has really been affected this year. It's my understanding that it won't be until year end, March 31," that there could be more changes, he said.

## Top walkers

Some long distance participants in Work That Body's mall walking program were recently recognized for reaching another milestone in the program as they were presented with sweatshirts compliments of Work That Body and Georgetown Marketplace Mall for walking a total of 500 miles since they started the program a year ago. Laurie Burns (left) of Work That Body presents Joy Reese with her sweatshirt, while Herminia Henderson of Georgetown Marketplace made the presentation to Marion Cunningham (right).
