For the United Way

Halton Hills councillor Marilyn Serjeantson was in the caring hands of hairdresser Marianne Bennett (left) and Christiane De Smet, owner of Christiane's Hair Styles and Boutique Limited as she had a hair reconditioning treatment in aid of the United Way. Customers at Christiane's Hair who have the treatment will be not only helping their hair, but will also be helping the Halton Hills United Way as one half the price of the treatment will be donated to the United Way during the month of November.

THE BAHAI FAITH FROM A-Z

B BEAUTY

The appreciation of beauty is one of the unique capacities of the human spirit. We can find it in our relationships with each other if we see the beauty of God reflected in each other's soul, and finding this point of similarity, are attracted to one another in love.

Sponsored by the Baha'is of Halton Hills, 878-6138

Tooth Chatter

by ALEX TRENTON
Denture Therapist

NEW DENTURES CAN ERASE WRINKLES

Vertical wrinkles around the mouth may be caused by ill-fitting dentures. False teeth that may once have fit well, change considerably as time goes by. When no teeth are present, the gum and bone tissue become unnecessary and nature removes them. They shrink upward, therefore causing the cheeks to sag. Wrinkling and gauntness in the face are two things you must deal with as you grow older, but old or ill-fitting dentures can be responsible for some of these lines.

Because your gums are constantly shrinking, you must update and change your dentures regularly, in order to keep them fitting snug, which fills out the face, therefore smoothing out wrinkles. The unattractive appearance is not the only problem with poor fitting dentures. The incorrect bite often causes discomfort or pain. Ear and jaw joint pain, soreness in opening the mouth and headaches are caused by poor fitting teeth. This pain can produce a constant tenderness in the facial muscles, which in turn can contribute to a premature drawn, aged look.

It is very important to have your dentures checked on a regular basis.
