## THREE GOOD REASONS WHY you SHOULD read THE BIBLE daily & systematically.

### Reason No.1

"That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive. . ." (Ephesians 4:14)

### Reason No.2

"...TO KNOW THE MYSTERIES OF THE KINGDOM" (Luke 8:10)  
"Because strait is the gate, and narrow is the way, which leadeth unto life, and FEW BE THERE THAT FIND IT." (Matthew 7:14)

### Reason No.3

To know and understand "...THE MYSTERY OF INIQUITY" (2 Thess. 2:7) - the false religious system that would arise from an early "falling away" from New Testament teaching. It would gain enormous influence through the centuries, resulting ultimately, in "ALL NATIONS DECEIVED" (Rev. 18:25)

The systematic daily reading of the scriptures can not only enlighten us to "the mysteries of the Kingdom," but it can also open our eyes to the counterfeit system - "the mystery of iniquity."

The headquarters of this false system is said to be located on seven hills or "mountains" (Rev. 17:9) and is described thusly - "MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS and ABOMINATIONS of the EARTH" (Rev. 17:3)

Her influence has been so universal that "the inhabitants of the earth have been made DRUNK" (Rev. 17:2). What are the age-old, universally believed doctrines that have caused mankind to become spiritually inebriated? We list below the chief ingredients of this intoxicating brew of religious fables:

### Fable No.1

The Platonic delusion of "THE IMMORTALITY OF THE SOUL" and the associated notions of sky-kingdom rewards and hell-fire punishments. The Bible teaches - "The soul that sinneth it shall DIE." (Ezekiel 18:4)

### Fable No.2

The blasphemous doctrine of "THE TRINITY" - not found in the Model Prayer - "Our Father which art in heaven" (Luke 11:2), nor in the subsequent "Apostles' Creed" (circa 120), BUT FIRST SURFACED SOME 200 YEARS LATER IN THE NICENE CREED!

### Fable No.3

The Zoroastrian myth of a "SUPERNATURAL DEVIL" and his host of Demons. ("Satan the Devil" is the equivalent of the Greek God Pluto - King of the Underworld).

"Nothing but an untrammelled individual knowledge of the Bible will satisfy the earnest curiosity that would know what the truth is, amid the intellectual turmoils, questionings and collisions of modern times."

Yahshua the Messiah, now at the right hand of the Father, will return at the appointed time to restore the Kingdom and Throne of David (Acts 2:30; Luke 1:30-33; Isa. 9:6; Jer. 33:15). His Advent will synchronize with the final solution of the vexatious "controversy of Zion (Jerusalem)" (Isa. 34:8).

He will rule the world in righteousness for a thousand golden years - "For the earth shall be full of the knowledge of Yahweh, as the waters cover the sea" (Isa. 11:9).

### The Politics of the Millennial Age

"Behold, a King shall reign in righteousness, and princes shall rule in judgment. . . he that overcometh. . . to him will I give power over the nations. . . to sit with Me in my throne. . . he that hath an ear, let him hear. . ." (Isa. 32:1; Rev. 2:26; 3:21,22)

## Students at conference

A group of Georgetown District High School (GDHS) business students just got back from a weekend at The Westin-Harbour Castle in Toronto for DECA's 27th annual North Atlantic Regional Conference (NARCON) on Student Leadership Development.

The students from GDHS all seemed to have the same feeling that they were glad they got the opportunity to go.

"We met a lot of people from all over, and it really opened our eyes to the business world," says Tanya Alrawdah, an OAC Business Administration student at the high school.

"I made a lot of new friends and I am actually writing to a couple of people I met from Maryland," says Teresa Fendley, another one of the delegates from GDHS.

The conference was made up of a series of informal seminars which taught students about a variety of different things. The students

enjoyed learning more about sexual harassment in the workplace, leadership skills and how to "dress for success".

"Never wear white shoes!" advises Alrawdah. "That was one of the important things that we learned in the "Dress for Success" seminar."

Above all, the main point that the seminars were trying to get across was to have more self-confidence, because believing in yourself will get you everywhere.

The fact that these students were chosen must have boosted their self-confidence, because there were necessary requirements that they had to have in order to be invited; students' assignments had to be in on time on a regular basis; students had to have excellent attendance; their test scores had to be at an acceptable level; and they had to have sold a minimum of 10 campus kits (the school's way of raising money for this trip).

"Overall, it was a worthwhile trip," was the general feeling of those delegates who attended.

# HELP!

You've helped recover 75% of old newspapers through your Blue Box. Now we need your help to get even more back. Ontario's paper mills make recycled newsprint out of every single old newspaper and flyer insert you give them - and that's still not enough. They actually have to import more from the U.S. If we recover more old newspapers, the less will go to dumps and the less mills will need to import. And the more municipal tax dollars we'll save. But we need your help to recycle as many newspapers as possible.

Recycling newspapers and flyer inserts is a real Ontario success story. Together, we can close the recycling loop.
