

## Familiar faces set to perform

A lot of fresh faces and fresh talent will adorn the stage of the John Elliott Theatre this Christmas in

Lisa & Sheri - Your graduation is a date to write in the family bible... along with all the **other** miracles.

**Congratulations!**

*Love Mom & Dad*

Georgetown Little Theatre's home grown production of Mother Goose! Along with the familiar faces of Paul d'Entremont (most recently completing The Foreigner), Tiffany Dunn, (Best of Friends) and Derek Remes (Scrooge, Cinderella) come ones like Frank McKie, Stephen Lima, Kerry Wright, and Jennifer Burrill.

Frank has been with GLT for many seasons, but has always contributed to our productions backstage. This time he's in the spotlight, playing none other than the villainous Baron of Ballinafad! Stephen is no stranger to the stage. In fact, he has played Ellard Simms in Brampton Little Theatre's production of The Foreigner and Lenny Small in Of Mice and Men.

Anyone who has seen the television shows Paper Hearts or Night Heat or watched the film Sing, might remember Kerry, whose last stage appearance was the female lead, Marjorie in Stageplay Productions; Extremities. Jennifer too, has been quite active in the theatre, having been involved with this art for nine years. She has worked with Globe Productions, Centennial School Productions, and GDHS Productions.

Tickets are \$7 for adults and children, but only \$5 for groups of twenty or more! Please call 877-2321 for more information, or pick up your rush-seat tickets at Young's Pharmacy, Oxbow Books, Delrex Smoke Shop, Hallmark, or at the John Elliott Theatre Box Office.

### Your Week Ahead Horoscope

**ARIES** Mar. 21-Apr. 19 Inform your family of any long range plans. Let them be in on your final decision. It's their life, too.

**TAURUS** Apr. 20-May 20 Greater gains in romance can be achieved with less talk on your part. Listen to what your partner is saying.

**GEMINI** May 21-June 20 Don't go overboard this Christmas. Watch the pennies and use your creative talents to brighten the holidays.

**CANCER** June 21-July 22 If you are too demanding, you may lose everything; however, persistence AND patience will eventually pay off.

**LEO** July 23-Aug. 22 Just because you have ALWAYS done something, doesn't mean you must continue to do so. Traditions can be broken.

**VIRGO** Aug. 23-Sept. 22 Use your sense of humor to put life into a dull situation. You could be the hit of the party.

**LIBRA** Sept. 23-Oct. 22 Take a good look in the mirror. Is that someone on his way up... or on his way out the door? Watch your step.

**SCORPIO** Oct. 23-Nov. 21 Details are important. Don't overlook anything in an effort to speed up a project. Double check everything.

**SAGITTARIUS** Nov. 22-Dec. 21 Going "over the river and through the woods" this Christmas? Watch out for the wolves; you never know where they are hiding.

**CAPRICORN** Dec. 22-Jan. 19 Don't be afraid to make a hard decision. Step up to the plate and do your best - that's all anyone expects.

**AQUARIUS** Jan. 20-Feb. 18 Unexpected dividends could make a big difference in your pocket-book. Don't blow it all on the holidays. Invest.

**PISCES** Feb. 19-Mar. 20 Remember that two heads are better than one. An associate is willing to help and could offer constructive advice.
