**655 In memoriams**

In loving memory of our friend Jeremiah Fendley, 1975-1992. One of our friends has gone out of sight, But never out of mind, He is cherished in the hearts Of those he left behind. Loving and kind in all his ways, Upright and just to the end of his days, Sincere and true in heart and mind, Beautiful memories he left behind. Always in our thoughts. Love, the Perkins, Barber and Burns Families.

**BARKER, Ronnie James** - In loving memory of a dear son who passed away November 29, 1990: We do not need a special day, To bring you to our minds The days we do not think of you, Are very hard to find. They say time heals all sorrow, And time helps us to forget, But time so far has only shown How much we miss you yet. They say memories are golden, Well maybe that is true, But we have never wanted memories, We only wanted you. Love Mom and Dad.

**BARKER, Ronnie, James** - In loving memory of my dear brother who was tragically taken away November 29, 1990 at the young age of 21. How do I write on paper, The feelings I have inside Of emptiness and heartache I've felt since you have died? Words cannot heal the heartache Nor stop the silent tears For when you lose a brother You cry for many years. So those who have a brother Love him while you may For how I wish with all my heart That I had Ronnie here today. Lovingly remembered, your sister Janet.

**FENDLEY, Jeremiah**. In memory of my nephew who passed away suddenly on November 26, 1992. They say that memories are golden, And while I guess that's true, But I never wanted memories I only wanted you. I think of you in silence, I often speak your name, I feel again the bitter blow That never should have come. Each morning when I awake And know that you are gone, No-one knows the heartache As I try to carry on. My heart still aches in sadness And secret tears still flow, What it meant to lose you Miah, No-one will ever know. My thoughts are always with you, Your place no-one can fill, In life I loved you dearly In death I love you still. They say that time heals everything But I know it isn't true Because it hurts as much today As it did one year ago. Love forever, Aunt Linda, Uncle Paul and Kids.

**FENDLEY, Jeremiah**. In loving memory of my dearest beloved first grandchild who passed away November 26, 1992, at aged 17. Each minute is like an hour, Each hour like a day, Now that I'm without you, My world becomes so gray. I sit alone and day dream About times when you were here, As tears will fall across my face In a moment of despair. There is a bridge of memories From here to heaven above, That keeps you very close to me It's called the Bridge of Love. As time goes by without you And months turn into years, They hold a billion memories And a million tears. To me you were so special What more is there to say, Except I wish with all my heart That you were here today. I loved you dearly in life And I love you dearly in death. Happy 18th Birthday, Miah. Till we meet again. Sadly missed and always loved, Grandma Semple.

**FENDLEY, Jeremiah**: In loving memory of our dear friend who passed away one year ago, on November 26, 1992. Although God keeps you safe and warm, You're forever in his care, We miss you dear friend, It still does not seem fair. Time is very precious, The gift of life is too, You barely had the chance to live, At times we live for you. When we feel lost or lonely, We sit beside your stone, We talk to you Miah, And we know we're not alone, We see your face and then your smile, Life seems to stand still, We wander back down memory lane, And we know we always will. A thousand prayers won't bring you back, We know because we've prayed, And neither will a thousand tears, We know because we've cried. Just when your life was brightest, Just when your years were best, You were called from this world of sorrow, To a home of eternal rest. We can't have old days back, When we were all together, But secret tears and memories Will be with us forever. We miss you, Miah. We love you, Miah. Love always, your friends, Dave Frost & Josh Barber.

**FENDLEY, Miah** - In loving memory of a good friend who passed away Nov. 26, 1992 The world may change from year to year, And friends from day to day; But never shall the one we loved From memory pass away. Sadly missed, Dan, Scott, Michelle, Whitey and Kerry-Lynn

**HARDMAN, Barry (Pils)** In memory of a special brother/uncle who left us tragically on November 27, 1982. Always in our thoughts, Forever in our hearts. Lovingly remembered by Lee Anne, Bruce, Jeffery and Deidre.

**HARDMAN, Barry**: In loving memory of a dear friend who passed away November 27, 1982. My heroes have always been cowboys. Sadly missed. Steve

In loving memory of Paul David Murr, who passed away November 30, 1988. In man's infinite wisdom, he measure's time with a calendar. Vivid memories of a good friend and neighbour are but a split second away. No matter how many calendar years have past. God Bless, B.

**STEWART, Chris** - mother, wife, daughter, granddaughter, sister, cousin and niece who passed away on April 27, 1993 as a result of a car accident. She was respected and loved by her friends that came to know her, BUT especially by her family who can never replace her. Little did we know that morning. The sorrow that day would bring. The call was sudden, the shock severe, To part with someone we loved so dear. We didn't have time to say farewell, Or for us to say goodbye, You were gone before we realized, And only God knows WHY. We think of you in silence, We often speak your name, All we have is memories, And your picture in a frame. Our hearts still ache in sadness, And our silent tears still flow. What it meant to lose you, No one will ever know. Our thoughts are always with you, Your place no one can fill-You were one of a kind, In life we loved you dearly, In death we love you still. Sleep in Peace. HAPPY BIRTHDAY! Your family.
