W.I. observes Christmas at meeting

Brampton West Women's Institute members and guest, met at Home United Church, Dec 7 at 10 a.m. for their Christmas meeting. Ina Terry, president, and secretary Bernice Whaley, recorded the minutes.

The roll call "What does Christmas mean to you" was responded to by the reason for Christmas with "The Birth of the Christ Child" and the happy family celebrations. At noon, a hot dinner was

served, by the ladies of Home Church, who were thanked by Isobel McKay.

Following lunch a Christmas program, planned by Tena Dykstra, assisted by the members was presented.

A Christmas story entitled Memories, the Christmas Music by Franz Schubert, the Christmas Carol, Silent Night, by Gruber, and a poem, The Coming of Jesus, completed the program.

Betty McClure accompanied the singing of Christmas carols.

Name the animal quiz was won by Mona Embury. By an exchange of Christmas cards, the members found out who had been their mystery friend, and picked a new one for the coming year.

Ina Terry thanked Tena Dykstra for planning a most inspiring program and wished everyone a good New Year.

Denture Therapist

DENTURISTS AND YOU

Any loss of your natural teeth is a regrettable occurrence. Fortunately it is one that can be remedied with excellent results. Today's Denturists (or Denture Therapists) apply all their skill and knowledge to provide you with a substitute that perfectly suits both the shape of your mouth and your smile. You benefit from the personal attention of the Denturist from start to finish.

Although less known than other professions, Denturists are providing an important health service to the public. Not only does the Denture Therapist provide a full range of dental services directly to the patient, but he provides this service at a cost that makes wearing dentures possible for many who could not otherwise afford them. "Personalized" dentures are no longer the preserve of the wealthy. You may be surprised at the reasonable fees the Denturist can offer for his services. Consultation will allow you to discuss all your options, desired treatment, and cost. Consultations are usually free of charge. Also it is important to note, that there is no GST or tax of any kind on dentures. They honor all insurance plans, D.V.A. & Social Services Claims.

Denture Therapists also offer visitation services. They will go to see patients in hospitals and nursing homes, and in special circumstances, they will make house calls. It's the Denturist Association of Ontario's commitment to bring service with integrity to the profession of Denture fabrication. Our expertise is unique, as we are the only profession legislated specifically for one purpose - to make dentures.
