## Exam dates change at Georgetown High

As a result of further Social Contract Negotiations, the school calendar has once again be changed.

Parents should note that exams will now be from Friday, January 21 to Friday, January 28 inclusive. School will be closed Thursday and Friday, February 3 and 4 as Rae Days. Further information regarding exams and the calendar will be sent home once the details are confirmed.

Last Saturday's Christmas Concert was a tremendous success. It featured our Grade 9 Band, the Wind Ensemble, the Stage Band, various smaller ensembles and the return of our Concert Choir. Our Music Moms provided refreshments and there was a sing-along at intermission. As a result of the large turnout, the music department raised \$600 to go towards items that our school board does not normally fund. Special thanks to Ms. Wallace and Mr. Quinlan for their work with

the music students.

Last Monday the entire student body attended an environmental assembly organized by student Neil Scudder, as part of his Science and Society Independent Study. Misty McDuffy, of the Western Canada Wilderness Committee spoke about the impact of clear cutting Canada's temperate rain forests on the west coast. The 400-year old red cedar stump which has been part of her tour is now in winter storage. We hope the school will have a chance to see the stump in the spring.

Merry Christmas & Many Thanks!

The management and staff wish everyone a Merry Christmas and a Happy New Year, and wish you all the very best in '94.
