

Save a tree: Butt Out!

# Poster campaign for Non-smoking Week

A poster campaign developed by the Halton Council on Smoking and Health and sponsored by the Halton Healthy Lifestyles coalition will be the centre piece for this year's National Non-smoking Week, January 17-23, 1994.

The poster titled "Save a Tree: Butt Out" has been distributed extensively throughout the Halton Community. Copies of the poster and pamphlet have been sent to: all Halton physicians, Halton businesses and to the area municipalities, libraries and hospitals.

The poster and accompanying pamphlet give Twelve Things to do for a Smoke-free Ontario. Some of the suggested items on the poster include: "Plant a tree during environment week to promote clean air, plan skits to teach others how to say no to peer pressure, write an article on non-smoking for your local newspaper", and nine others.

In keeping with the national campaign theme "Tobacco Industry Sponsorships: Not So Subliminal Advertising", grade six teachers

throughout Halton have been asked to have their students create an advertisement that sells a non-smoking message; item #3 on the Halton Councils poster, Twelve Things to do For a Smoke-free Ontario.

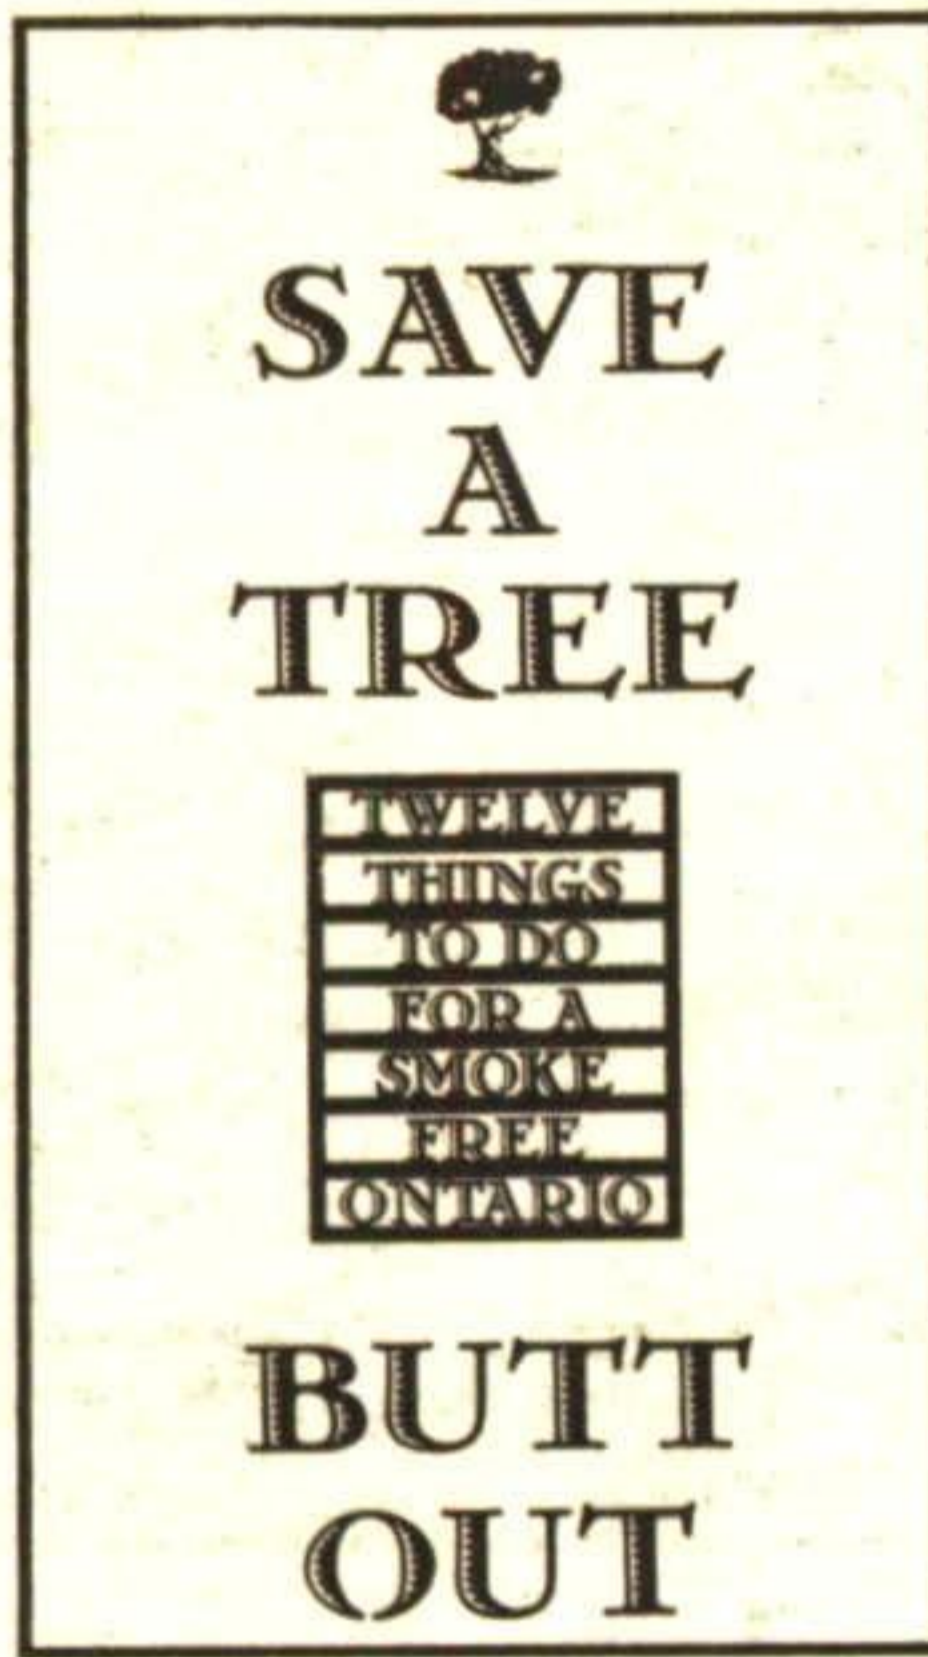

Students from the winning class from each Board of Education will be awarded a T-shirt with their non-smoking message printed on the back.

Students from the secondary schools are being asked to write letters to the editor or their local Member of Parliament in support of the proposed Ontario Tobacco Act.

Other activities are being planned by individual area high schools.

The final activity will take place on Weedless Wednesday, January 19.

Infants born at area hospitals will be given a cloth diaper that has the message "Save a Tree: Butt Out" surrounding a No Smoking sign printed on the outside of the diaper.
