

The 5th Annual Georgetown Cub Pack went to Gordon Graydon Sr. Public School to Ranger Rick's Classroom to pass the first part of the Observer badge. (Ranger Rick Edwards teaches science and math). The Cubs had snakes, snails, turtles, rats, rabbits, birds, cray fish, worm farm, and many more to study. Each Cub chose six different things to observe, study and write about them.

Scouter Steve Norman arranged this trip, with Scouters Carol Harper, Donna Thompson and Bruce Leonard assisting. The Cubs held the DeKays snake, a North American snake and the Red Rat snake, also known as corn snake of the constrictor family. The python was only viewed in his cage.

A busy agenda for Halton Hills Toastmasters

Matters of the Heart is the theme of our February 14th meeting, but the highlight of the evening is the induction of six of our 12 new members — Halton Hills Toastmasters Club just goes from strength to strength.

On February 28, we hold our club section of the Annual Speech Contest. The winner will go on to participate in the March 7th Area

Speech Contest, hosted by Halton Hills Toastmasters (there will be five other clubs in attendance). On March 25 and 26, we will be participating in the Community Events Showcase so watch for our display at the Georgetown Marketplace Mall. In April, we will be electing our officials for the upcoming year.

In between the special events, our normal meetings include table

topics, speeches, readings, debates and much more.

Membership with Halton Hills Toastmasters will enhance your self-confidence and self-esteem so why not pay us a visit? Halton Hills Toastmasters meet every Monday evening at Glen Williams Town Hall at 7:30 p.m. For more information, please call Chris Miller, 853-1007 or Maureen Blyth at 877-1923.
