Maple syrup time at Mountsberg

Don't miss the chance to participate in one of Canada's most popular spring traditions during Mountsberg Conservation Area's annual Maple Syrup Days until April 10, 10 a.m. to 4 p.m. every weekend and holiday. Enjoy horse

drawn wagon rides, maple candy demonstrations, informative evaporator talks and the Kelly New Picnic Pavilion where endless stacks of steaming pancakes are served.

For those with small children, March 5 marks the date for the annual "Puppets and Pancakes" special event. From 10 a.m. to 12 p.m., enjoy an entertaining puppet show with Bushy the Squirrel and Sugar the Maple Tree. Learn how to tap your own maple tree, get your picture taken with Tidy the Turkey Vulture or sample fresh maple taffy poured on the snow.

For more information on Maple Syrup Days and Puppets and Pancakes, call the Halton Region Conservation Authority (905) 336-1158 (weekdays) or the Mountsberg Conservation Area (905) 854-2276 (weekends and Holiday).

Your Week Ahead Horoscope

ARIES Mar. 21-Apr. 19
 Your success depends on you. Do not look for help from those who cannot help themselves.

TAURUS Apr. 20-May 20
 Financial decision should be evaluated carefully. Use personal considerations in determining whatever action you will take.

GEMINI May 21-June 20
 Relationship undergoes some strain. It is not unusual for disagreements to occur; don't make mountains out of molehills.

CANCER June 21-July 22
 While someone close to you could be more understanding, try to see things from his/her point of view. It may make a difference.

LEO July 23-Aug. 22
 Career goals should be defined by now. See all projects through to the end. Don't give up.

VIRGO Aug. 23-Sept. 22
 Career move should be postponed. You do not have all the pertinent facts to make a sound decision. Look deeper.

LIBRA Sept. 23-Oct. 22
 A promise may be broken. Don't be over-anxious about the consequences. You will still come out smelling like a rose.

SCORPIO Oct. 23-Nov. 21
 An inflexible co-worker or peer could hurt you or your latest endeavor. A termination may be necessary to save the project.

SAGITTARIUS Nov. 22-Dec. 21
 Take some time off to brush up on your skills. Health should not be overlooked.

CAPRICORN Dec. 22-Jan. 19
 Problems with young person could be solved with advice from an older (and wiser) one. Listen to what is being said.

AQUARIUS Jan. 20-Feb. 18
 Don't let your imagination run away with you. Many things are possible, but your dreams may be just that.

PISCES Feb. 19-Mar. 20
 Review your budget. Some changes may be necessary if you want to make a major purchase. Be prudent.
