## Small business brochure available

The Business Development Department is pleased to announce the release of the Starting Your Small Business in Halton brochure.

This brochure is a quick and handy reference to eighteen different services and local government offices serving Halton's small business community.

"I have already received several positive responses to the brochure."

said Brent Kearse, Executive Director of Business Development. "This brochure seems to really fill the information gap that exists when entrepreneurs are in the beginning stages of opening their own businesses. There are so many local regulations, that entrepreneurs sometimes get overwhelmed. This guide is designed to eliminate that problem, and to

encourage small business formation. Small businesses are certainly the engine of job creation, and we want to do everything we can to assist them."

It is available to the public free of charge. Contact: Business Development Department, Region of Halton, 1151 Bronte Rd. Oakville, ON L6M 3L1 (905) 825-6300 or fax (905) 825-8839.
