

ROOS TRAVEL

CELEBRATES 20 YEARS

On March 1, 1994, we at Roos Travel Agency celebrated our twentieth year in business. From our modest beginnings, Roos Travel Agencies are among the leading travel companies in the Halton/Peel area. Here's a look back . . .

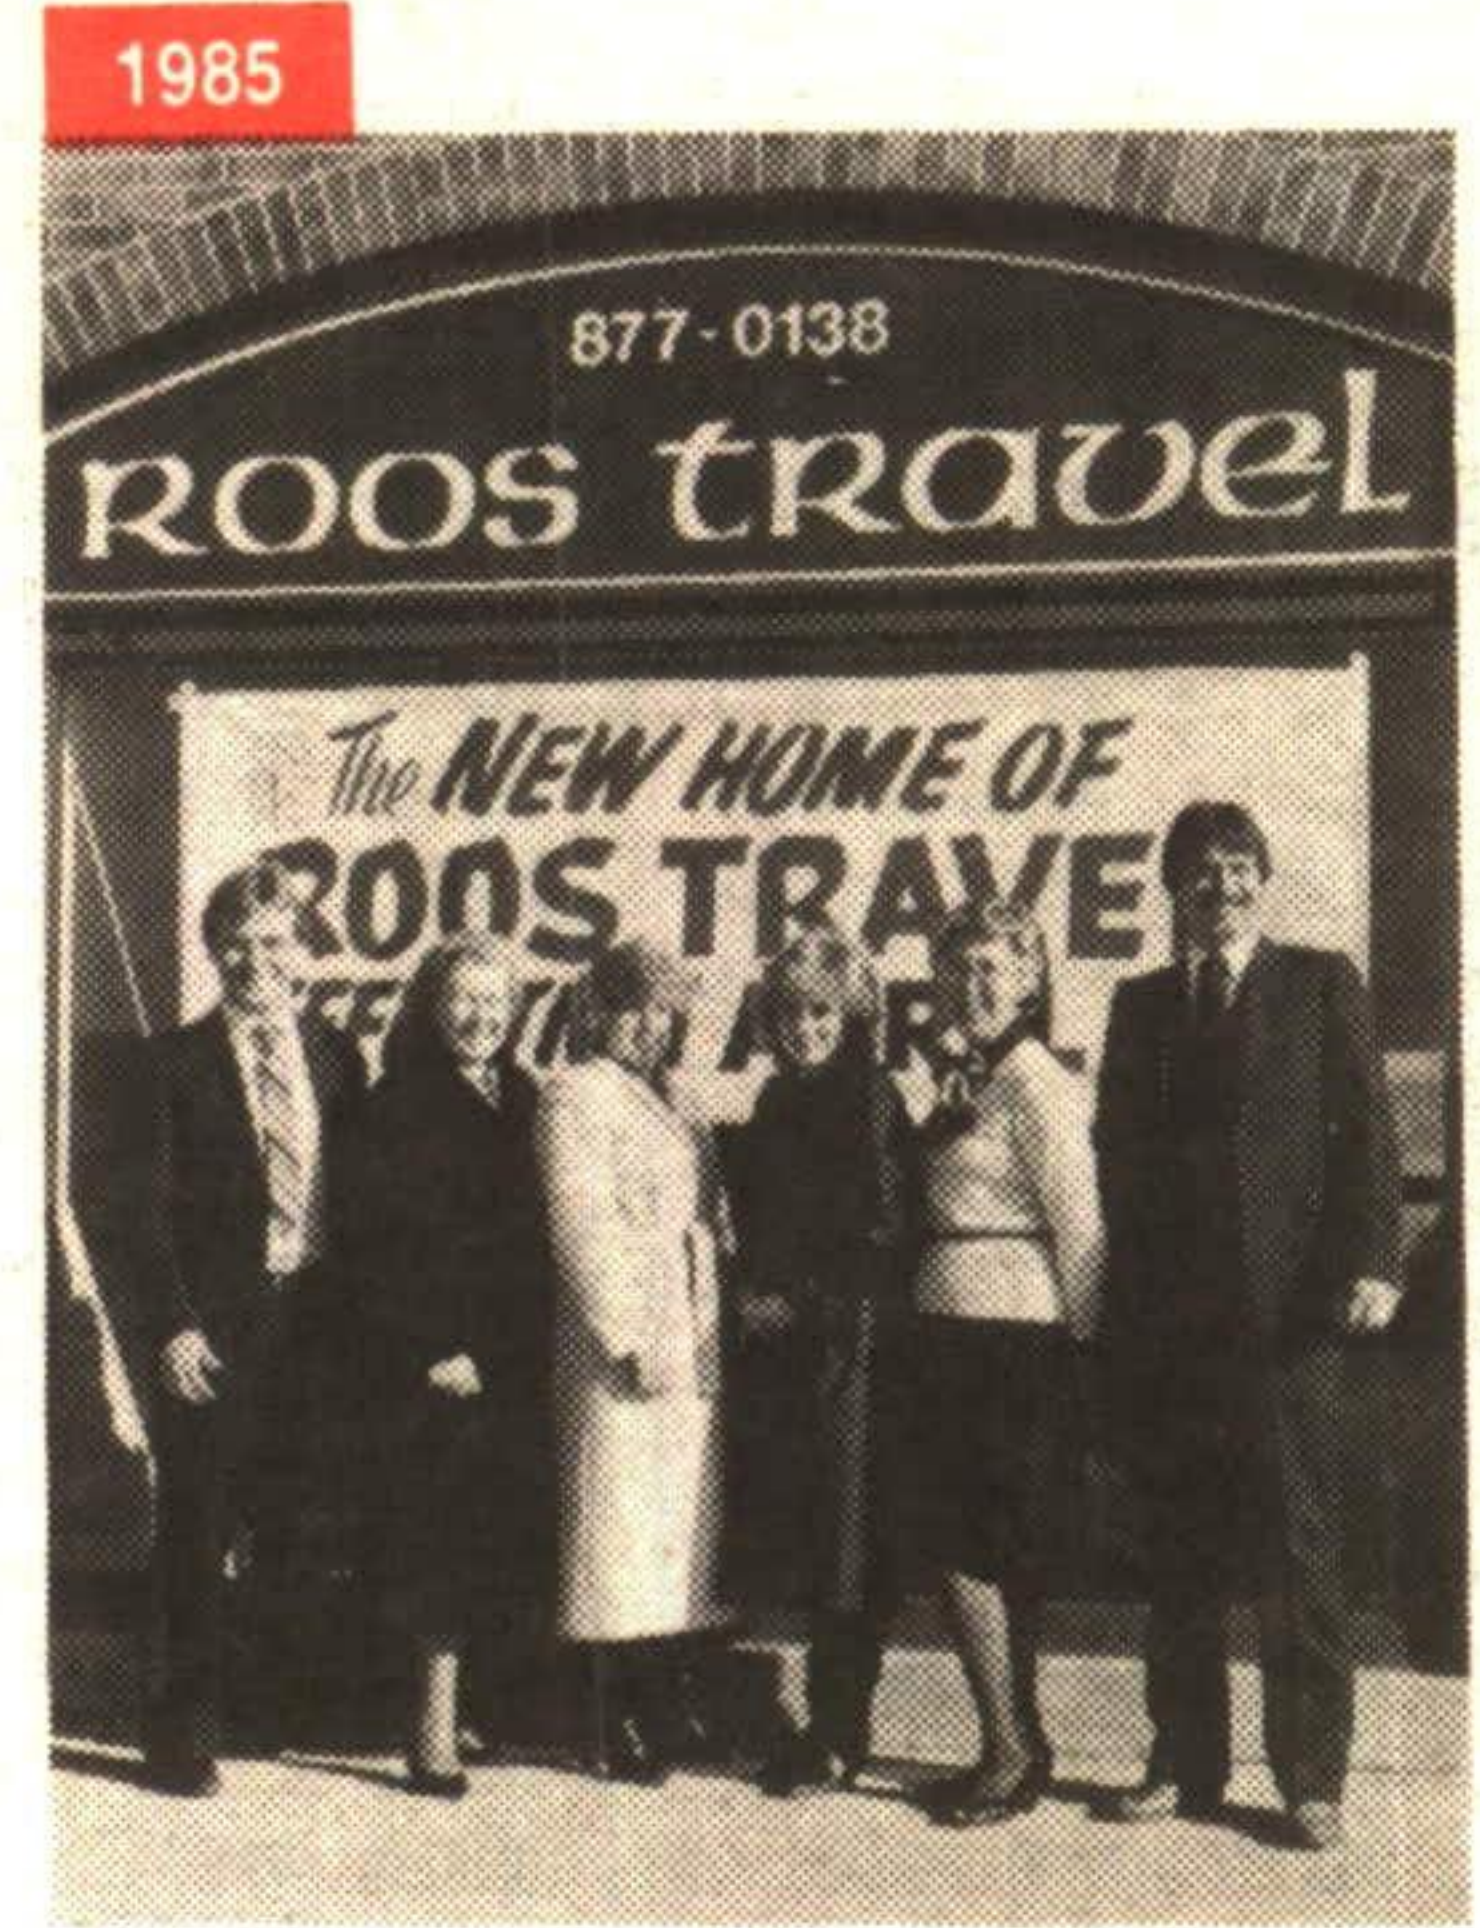

1974 - Arend Roos purchases a charter flight office in Brampton and obtains an IATA licence (International Air Transport Association), enabling the company to issue airline tickets.

1975 - Roos Travel is now licenced to work on behalf of all the world's airlines.

1976 - Arend Roos purchases Norlec Travel in Georgetown from Russ Lucas and Chris Gibson.

1984 - Roos Travel joins the leisure travel consortium buying group known as GIANTS, giving the agency additional buying power in the marketplace.

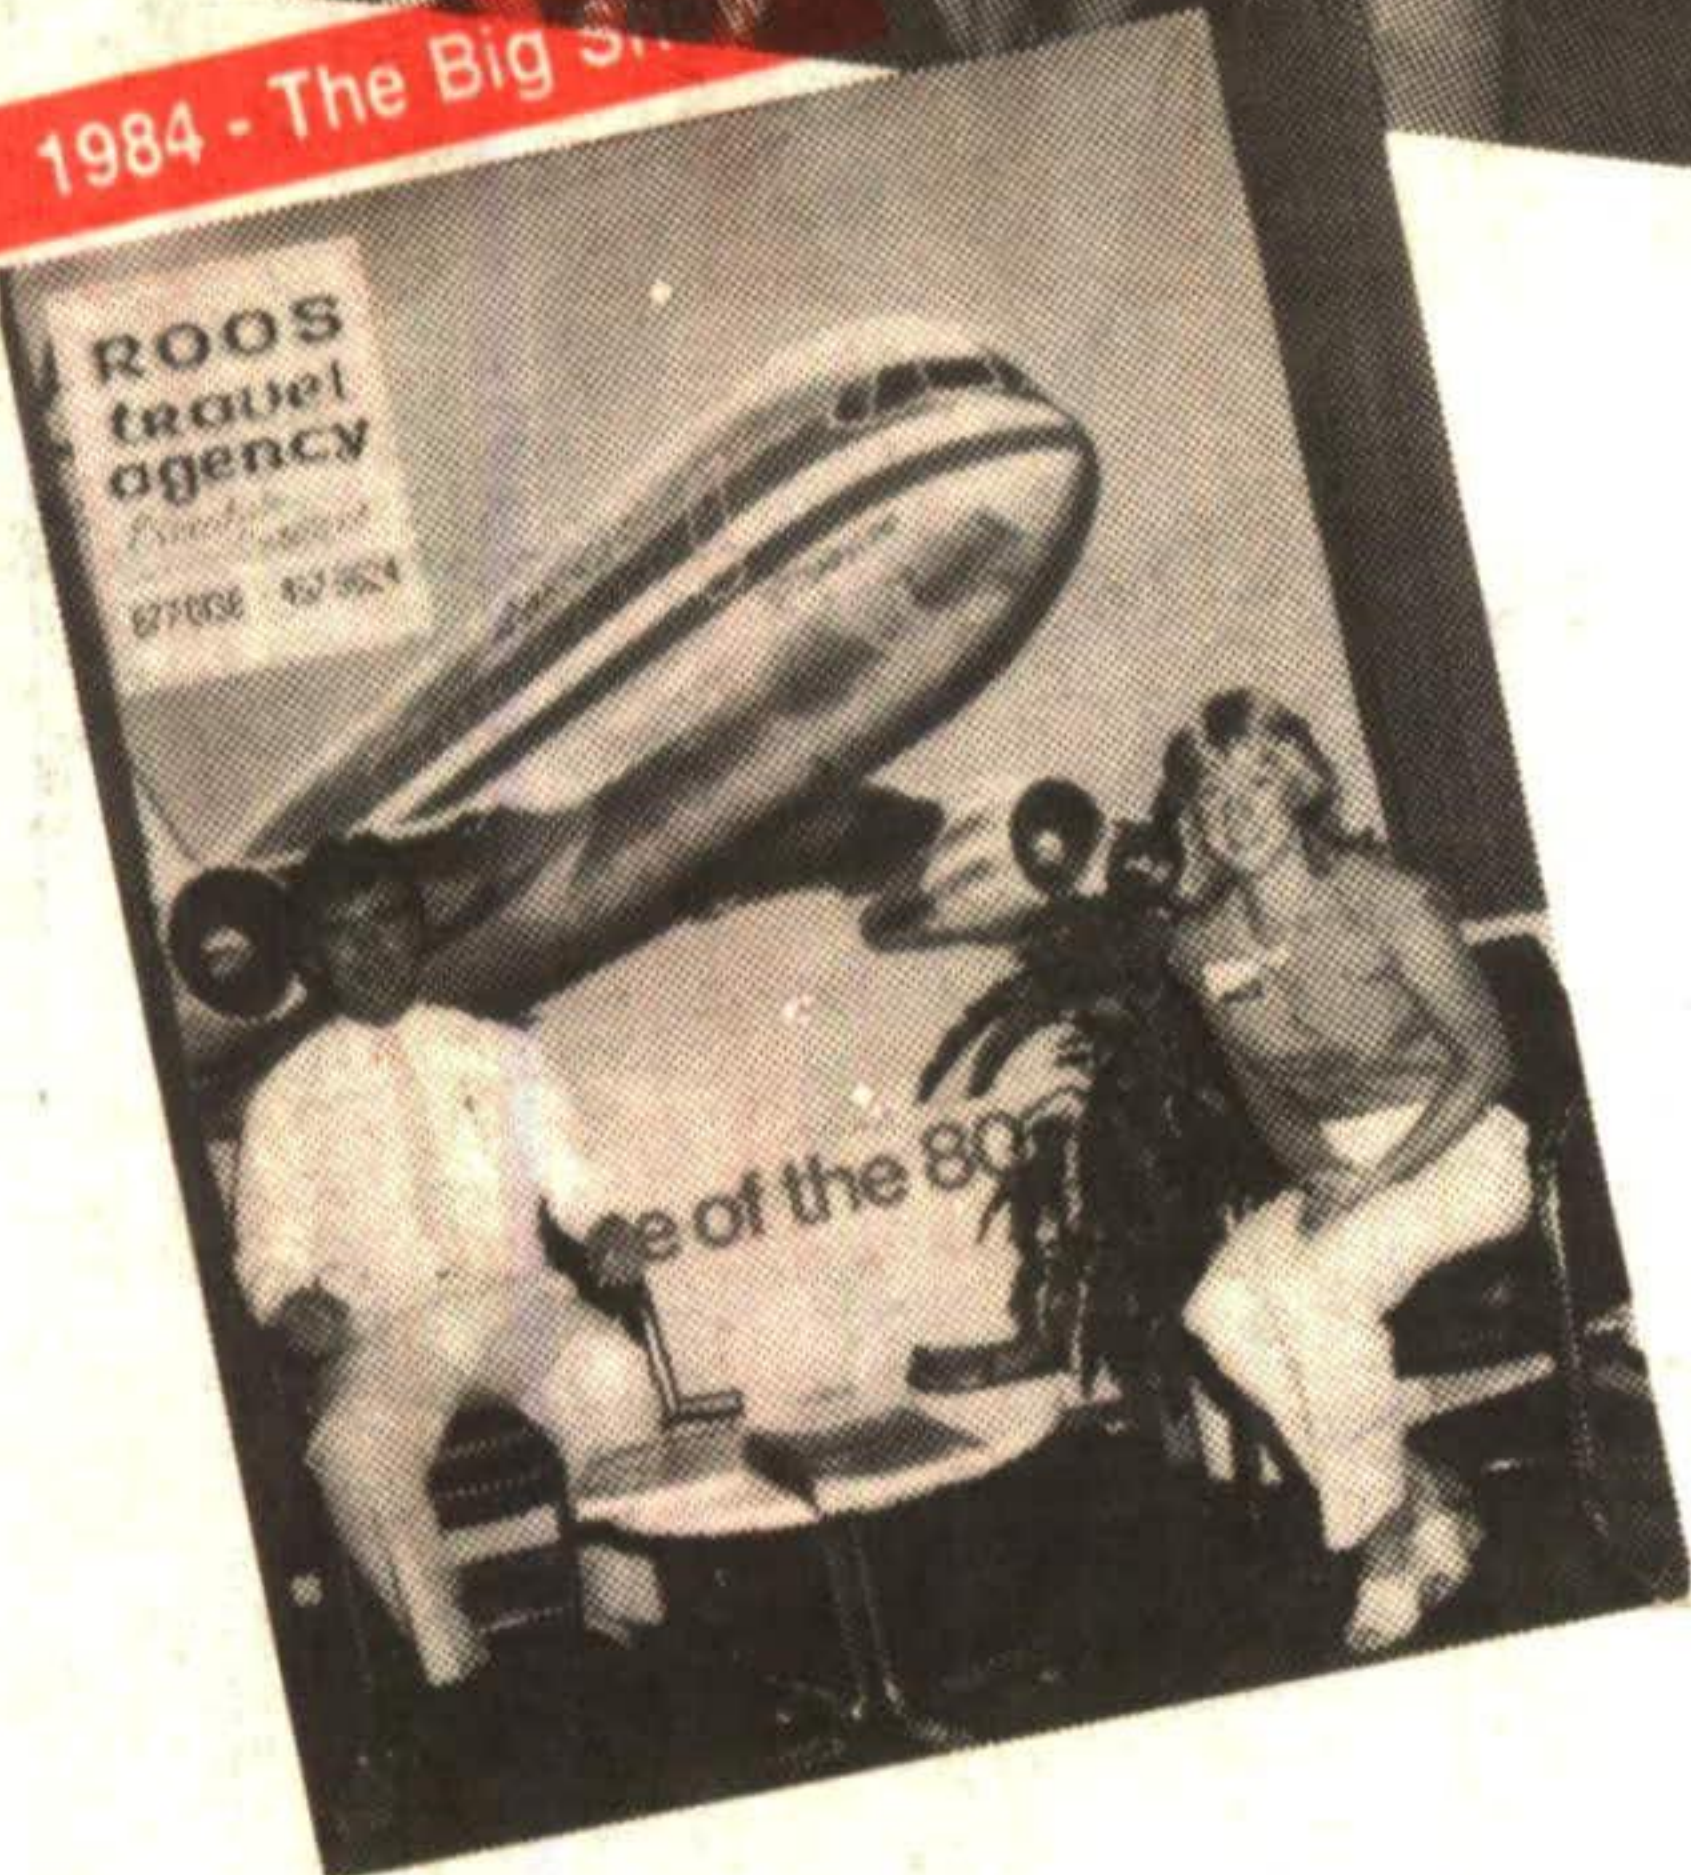

1987 - Roos Travel enters into the corporate travel market and opens a new agency in Brampton. Roos Travel joins Travel Trust International to obtain access to worldwide connections in the corporate travel field.

1990 - The Brampton office becomes the leading corporate agency in the Brampton area.

1992 - Merges with Clare Burt Travel in Brampton into a new company known as Roos Travel Brampton Inc.

1993 - Herma Buchanan takes over as Manager of the Georgetown office, assisting Arend Roos in the development of the Georgetown operation.
