

Toastmasters keep active weekly

On March 7, Halton Hills Toastmasters had the pleasure of hosting the Area 66 Speech and Evaluation Contest. The speeches at the 1994 divisional level of the Annual Speech/Evaluation Contest were given were all very well presented - anyone could have been the winner.

Sandra Wolfe of the Hershaw Club was the 1994 Speech Contest winner and goes on to the next level of the contest and Sandra Boomhour of the Brampton Club won the Evaluation Contest.

Five members of Halton Hills Toastmasters recently braved yet another snowstorm to tape a half hour session at the Halton Cable T.V. studios. An outline of what our meetings are all about including a demonstration of a speech, table topic and reading. This taping has been shown on Cable several times.

During the weekend of March 25th, we participated in a Community Open House held at Georgetown Marketplace Mall for non-profit groups, put on by the Town of Halton Hills - thank you.

At our next meeting, we will be establishing the format and teams for our upcoming debate - nothing like a good, controversial subject to get those opinions flying!

Why not come down and pay us a visit. We can help you achieve your own personal summit of excellence. Meetings are held every Monday evening at 7:30 p.m. in Glen Williams Town Hall - hope to see you there!

For information please call Chris Miller at 853-1007 or Maureen Blyth at 877-1923.

Acton

Waiting for the water
to get hot is like
waiting for . . .

If you're running an antiquated electric water heater the cows could be home *before* the water is hot. On the other hand, you could switch to an energy-efficient, oil fired Aero water heater. With Aero's rapid recovery time and high volume storage capability, the whole family will be showered and scoured before the cows are even over the hill.
