## Georgetown Golf Club provides unique setting

Situated on the Niagara Escarpment and the valley slopes of the Credit River, Georgetown Golf Course presents a setting few golf courses can match!

Created in 1963 by renowned Canadian Golf Course Architect, Robbie Robinson, the natural terrain and the imaginative design make Georgetown an outstanding layout.

Towering, mature trees, undulating fairways, true greens and a meandering river combine to provide the golfer with variety on every hole of this championship Golf Course.

The average golfer will enjoy the challenge from the men's white tees, the ladies will be more than satisfied from the shorter yet equally challenging ladies' tees. For the "players" in the group our Blue tees encourage the golfer to "think before they swing!"

Having been under the same management for the past 20 years enables the club to provide the same service and quality year after year. Improvements both on and off the Golf Course continue season to season as they endeavor to provide clients with the best facility possible.

Superintendent Peter Bruton, will

continue this year with his tree planting program as well as adding flower beds and upgrading cart paths, all of which are designed to ensure our golfers a great round.

Your first impression of Georgetown Golf Club will be a friendly smile and welcome from Pro Shop manager Fiona Smith, Fiona comes from their sister club, Bolton Golf Club and has several years experience meeting, greeting and taking care of the golfing public.

After your round they invite you to visit their beautifully renovated clubhouse and enjoy a refreshment or meal prepared for you by Dan Bruton. Dan's experience in the Food and Beverage industry ensures a great meal and first class service every time you visit.

If you are planning a wedding, Georgetown Golf Club is the perfect location. Custom designed menus, a newly renovated banquet facility and expert friendly advice are all key to the success of Dan's weddings and your special day!

So whether it's a round of golf, a membership, tournament or wedding, Georgetown has everything you need and more. Relax, and enjoy your day.

### New owner at Acton Meadows

A sense of community drew Al Kavanagh to Acton Meadows Golf Club.

And now he hopes that community will see what his golf club has to offer.

Kavanagh purchased the local golf club from the group of six original owners this winter and has several changes planned for the 9-hole course at RR3 Acton.

Kavanagh, a land developer, was looking for an investment when he came across the local course.

AL KAVANAGH

"I saw it as a community club," said Kavanagh. "Something residents of Acton and Georgetown could get involved in."

Kavanagh took over in January, but already changes are very evident. He's redone the clubhouse and added a complete dining facility, with Sunday Brunch and evening entertainment plans.

With the better weather Kavanagh hopes to add more flowers and shrubs.
