

POWER needs items

By LOIS FRASER

Some folk like opera, some like baseball. Then there are the garage sale aficionados. If you're one of these, get excited because the ultimate in garage sales is coming to town Saturday, May 7 (9 a.m. - 2 p.m.). People come from miles around to POWER's annual giant garage sale.

This year it is at the Gordon Alcott Arena (what's next, the Dome?) the larger space is needed to accommodate the donations from the enthusiastic spring cleaners here in Halton Hills.

Everyone loves a bargain. The thousands who come every year enjoy the hot dogs, bake table, antique action and the chance to get something valuable for "a steal." I'm certainly enjoying the tap shoes and Jasmine costume I got last year! If you've got something in your basement that people will fight over (or even something not so nice that you just want to get rid of), think of POWER.

Call 853-0039 or 853-1328 for donation details or watch for our flyer.

Grade 4 and 5 students from Limehouse Public School were recently honored with the presentation of an Environmental Leadership plaque from Halton Region at the Blue Planet '94 gathering at Ontario Place. The award recognized their efforts in cleaning up the school yard and planting and maintaining the flower beds around the school grounds. Students taking part included (front, from left) Nevil Bapooji, Mark Reid and Jenny Kilmer. In back, James Pilkington, Dawn Vanderstarren, Franky Willis and Lauren Gemmill.
