Mortgage Fact:

A Mortgage of \$130,000 at a 9% interest rate and a 25 year Amortization Period will cost you \$322,800.

That's \$192,800 PAID IN INTEREST!!!

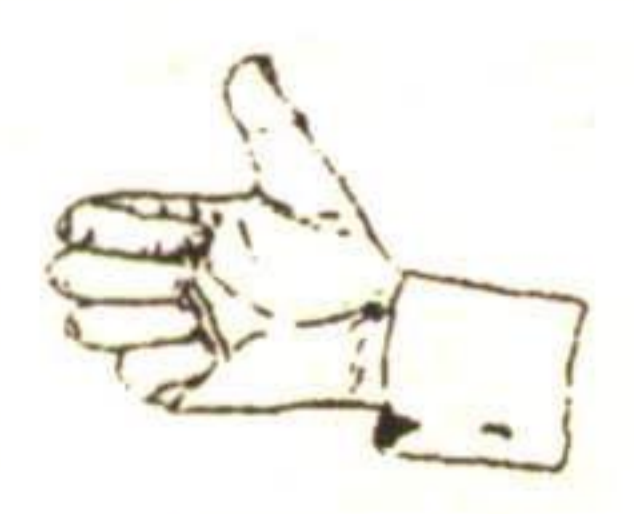

As Co-Host of The First Time Home Buyers Seminar Program and as a Representative of the Investors Group I'd be more than happy to help those who would like to save THOUSANDS IN INTEREST payments!
