Ellen, Eric and Anthony Van Giessen prepare for Vacation Bible School.

## Acton churches offer Vacation Bible School

Each summer, some 130 kids in Acton are kept busy making crafts, learning Bible stories, and meeting new friends. The event is Vacation Bible School.

This year, the Bethel Christian Reformed Church and the Evangel Pentecostal Tabernacle will be running a weeklong program.

"We first approached the Evangel Tabernacle last year because we didn't have enough room to hold all of the children," says Barb Van Giessen, one of the coordinators of the program. "But now we run the program together because it's a great way to offer an exciting program that can benefit even more kids than if we each did it alone."

This year's Vacation Bible School will run from July 4 to July 8, and will meet from 9 a.m. until noon. This year's theme is "Son Country Farm" and the two church facilities will be transformed into "barnyards" to add to the atmosphere of the week.

Children will be learning about the positive ways God wants us to grow as we serve Him and each other in love.

Van Giessen comments that because of the popularity of the program preregistration has become necessary.

"In order to help prevent disappointed children, we ask the parent to preregister if at all possible."

A date for preregistration has been set for June 14, 7 p.m. until 8:30 p.m. Those wishing to sign up their children aged 5-12 can do so that evening at the Bethel Christian Reformed Church in Acton. In addition a registration form, printed in The Acton Free Press, can be sent in by the preregistration date. The cost is \$2 per child, or \$5 per family.

The week promises to be a fun, learning event for the children in attendance. Anyone with questions or comments on the program are encouraged to contact Barb Van Giessen at 853-1675.

### PUBLIC INFORMATION CENTRE NO. 10 SIDEROAD (REGIONAL ROAD #10) CLASS ENVIRONMENTAL ASSESSMENT

The Regional Municipality of Halton, in accordance with the provincially approved Class Environmental Assessment Act for Municipal Road projects, is proceeding with the Preliminary Design Study for the reconstruction of approximately five kilometres of Regional Road #10 from Trafalgar Road (Regional Road #3) to Winston Churchill Boulevard (Regional Road #19) in the Town of Halton Hills.

A Public Information Centre will be held:

**DATE:** Thursday, June 9, 1994  
**TIME:** 4:00 p.m. to 8:00 p.m.  
**PLACE:** Town of Halton Hills  
Administration Building  
1 Halton Hills Drive (Maple Avenue)  
Georgetown

The upgrading is required in order to improve the horizontal and vertical alignment and structural condition of the pavement and to address future capacity deficiencies which are expected to occur as a result of development in the Georgetown south area.

The Public Information Centre has been scheduled to provide members of the public with an opportunity to review the preferred plan including the environmental features associated with the plan and the evaluation criteria used in determining the plan. Members of the public are invited to drop in at their convenience and discuss the study with representatives from the Region and their consultant.

Following the information centre, further comments are invited, for incorporation into the planning and design of this project. If you require any additional information regarding this study, please contact:
