

Your Week Ahead Horoscope

ARIES
Mar. 21-Apr. 19

The week will not be a productive one if greater effort is not put forth. Concentrate more fully on current endeavors.

TAURUS
Apr. 20-May 20

A broader social life could put you in touch with some very influential people: it could also put you behind at work, so pace yourself.

GEMINI
May 21-June 20

Changes are coming, so expect some excitement as well as consternation at work. Remember that not all change is bad.

CANCER
June 21-July 22

Let someone know you care. A quick phone call or short note could really brighten up that special person's day.

LEO
July 23-Aug. 22

A little more realism in your spending habits would greatly help your budget. Set limits to your spending.

VIRGO
Aug. 23-Sept. 22

Financial independence has its price. If you want to remain independent, be more thoughtful of those who are not.

LIBRA
Sept. 23-Oct. 22

Avoid travel by air when planning your vacation. Take the "scenic" route and take your time.

SCORPIO
Oct. 23-Nov. 21

Don't be afraid to ask questions. How do you learn if you don't ask? And don't forget to be patient with those who ask of you.

SAGITTARIUS
Nov. 22-Dec. 21

Old traditions are wonderful, but sometimes they must be updated. Combining the old with the new can sometimes begin a new tradition.

CAPRICORN
Dec. 22-Jan. 19

The sheer joy of romance may cloud your view. You will have to come back down to earth sometime and the fall could break your heart.

AQUARIUS
Jan. 20-Feb. 18

Give homelife your full attention this week. Children need extra guidance. Make plans for how they should spend the summer.

PISCES
Feb. 19-Mar. 20

Try an innovative approach with an old problem. Sometimes a surprise attack works best.
