Seniors sign petition

By LES MELLISH

Special to The Independent/Free Press

Georgetown & District Seniors Association sees a possibility that Georgetown could lose its opportunity to set up a seniors centre at The Indoor Mall, 318 Guelph St.

A complete formal application for funding has been submitted by the Recreation Department. Yet, in spite of considerable lobbying, nothing seems to be moving.

Seniors were called upon to show their displeasure at the failure of the provincial government to provide the necessary operating grant, by signing a petition. More than 1,200 signatures were collected. The petition has been passed on to MPP Noel Duignan who will see that the Minister of Health gets it.

Our case is urgent, we could lose this opportunity to set up a seniors centre because of government tardiness.

Bluebirds meet July 12

The purpose of the Arthritis Bluebird Club (ABC) is to provide a social/educational support group for people with arthritis. This gives us an opportunity to meet with others on a regular basis to exchange information, ideas, and coping strategies. In addition, speakers are invited to talk to the group, with time allowed for questions, and discussion. We the ABC's of Halton hope to be self-supporting.

The next meeting for the Region of Halton will be Tuesday, July 12 in Milton at the Leisure Centre. Please bring your lunch, tea and coffee will be supplied. The time is 12:30-2 p.m.

The Arthritis Society will send a physiotherapist on land exercises. Everyone who has arthritis their family and friends are welcomed.
