Royal beating

The Georgetown Major Peewee Eagles had a rough time of it in their game against the Brampton Royals July 12. The Eagles lost the game 4-3.

The Royals jumped out to a quick 3-0 lead, but the Eagles scored two in the sixth and one in the seventh to tie the game. The Royals then scored the winning run in the bottom of the eighth.

Georgetown hitting stars were Chad Miersma (single, double, 2BI), Thomas Cook (single, RBI), Ryan Bobar (single), Randy Hodder (double) and Brent McClung (single). Hodder and McClung also pitched.

Chiefs impressive

The Chiefs continued their impressive play over the last weekend winning two more games to move out to a commanding first place position.

Halton Hills Taxi with two games in hand won over the Aces to retain 2nd place and stay within striking distance of the leader.

Milton Cellular won their two weekend games to leap frog over the Blues and a faltering Sumner Tire team to take over 3rd place and serve notice to the leaders that they have to be contended with.

Blues tagged on to the Sumner Tire team on Sunday and showed them how the game should be played, as they fought through a stingy 5 to 2 game for their win and sole possession of 4th place.

Sumner Tire Nationals dropped both of their games to fall into 5th place.

Cougars and Aces suffered the same fate as the Tire boys, as the top end of the league spent the whole weekend feasting on the bottom place clubs.

Ball tourney

Home, Huttonville and Norval churches' baseball league is hosting a ball tournament at Huttonville school grounds, July 22-24. Twelve teams will play for the championship. A church service too is on the agenda, July 24 at 10:45 a.m. with Paul Ivany as guest speaker. Ball clubs will have a food booth with cold drinks, during the tournament. Invite your church members, friends and family to come and support your ball team. For information call 873-1247.

The Georgetown Minor Lacrosse Association season culminated with the association's first "Day of Champions," held at the Alcott Arena July 9.

In the tyke/novice division championship game, the Georgetown Autohaus Fighting Beetles prevailed with a 9-5 triumph over Ken's Auto.

Autohaus' Ted Morris opened the scoring with an unassisted goal. Other Autohaus goalscorers were Dan Walinga (3), Dustin McKnight (2), Tim Walinga (2) and Morris with his second. Tim Walinga (3), Michael Gerow (2), Bryan Kennery (2), Kyle Kennery (2), John Dalrymple, Dan Walinga and Jim Present supplied assists. In addition to his two assists, Kyle Kennery had

an outstanding game in goal.

For Ken's Auto, Adam Kemp connected for three goals, Jordan Armstrong had two. Assists went to Kemp (2), Thomas Stokes and Jeff Boyce.

Both squads reached the final by knocking off Graphic Workshop in the preliminary round.

Ken's Auto took its game against Graphic Workshop 7-3. Armstrong led the way for Ken's Auto, scoring three goals and assisting on two more. Other Ken's Auto goals were credited to Ben Reid, Byron Jacome, Stokes and Dan Cammick. Assists went to Reid, Boyce, Stokes (2) and Mike Carter.

For the losing side, it was Daryl Veltman tallying two goals and Matt Pignatell picking up one. Travis Bland, Eric Euteneier and Jordan Spence got the helpers.

Even with the loss, Graphic

Workshop still had a chance to reach the championship game. But it wasn't to be, as Autohaus dumped them 11-7. Dan Walinga was a one man show for the victors, netting seven goals. Tim Walinga was almost as potent, scoring three. Dustin McKnight notched the other Autohaus goal. Dan Walinga (2), Adam McKnight (3), Jared Sargent (2), Morris (2), Present, Dalrymple, Brent Beaumont and Bryan Kennery provided the assists.

Veltman was once again the star for Graphic Workshop. He scored five times. Bland and Shaun Dennie netted the other two. Bland also had four assists, while Dennie, Euteneier and Aaron Cardon each had one.

The teams would like to thank all of their sponsors for a terrific season.

Rams get set for playoffs

With the regular season nearly complete, all three Acton Rams lacrosse teams are gearing up for the playoffs and the provincial championships.

The Acton McIntyre Fuels/Crowe Construction Novice Rams won both their games last week to bring their record to 8-5. The Novice Rams outgunned Fergus 7-4 and crushed Guelph 9-0 in a game stopped after two periods due to high humidity in the arena.

Against Fergus, Adam Lindsay, Nick Mastro and Mike Dube each notched a pair of goals. David Lyons netted the other marker. Dube (2), Matt Wolfer, Jon Newby and Lindsay had the assists.

Wolfer led the attack in the Guelph game. He potted four goals, while Lindsay, Mastro, Dube, Mike Davison and Justin Cole all had singles.

Assists were credited to Wolfer (2), Newby, Lindsay, Nicholas Crowe, Davison, Lyons, Dube and Steve Atkinson.

The Acton Mackenzie-Chapman/Galvcast Bantam Rams split their two games last week. The Bantam Rams were edged 5-4 by Fergus and then squeezed past Guelph by the same score.

In the Fergus loss, Acton was hindered by the fact it had only eight runners.

This was evident as the team ran out of gas after taking a 2-0 first period lead.

Sandy Chapman, Garrett Erdelac, Jeff Newman and Shawn Weatherall scored for the Rams. Assists went to goaltender Ryan Young (2), Weatherall and Newman.

Even though the Rams managed to beat Guelph, the game pattern was similar.

The Rams took an early lead but then had to hang on when Guelph stormed back with four second period goals.

Weatherall and Richard Raju scored two goals each, with Josh Travers adding one. Young (2), Chapman, Newman, Travers, Tyler Pearce and Paul Withers had the assists.

The Acton North Halton Material Handling Tyke Rams saw their only action of the week in an exhibition encounter with the Milton Mavericks.

Behind the six goal performance of Matt Lyons, the Rams whipped the Mavericks 12-4. Kyle McDonald (3), Nike Newby and Steve Terry also scored. Newby and Terry had the assists.
