YEAR.**

Summertime is fun time and a good time to get a head start on the school year. Just a couple of hours a week this summer at a Sylvan Learning Centre® is enough to help your child do better this fall. After identifying the problem area through diagnostic testing, a caring, certified teacher can help your child in all subjects, from reading and writing to basic math and algebra. You'll see your child approach the next school year with renewed confidence and self-esteem.
