

# Three charged in separate incidents

Police charged three men with impaired driving in separate incidents last weekend and one angry motorist was charged with uttering death threats and assault.

A 32-year-old Barrie man faces charges of impaired driving and having over the legal limit of alcohol in his blood after an incident Sunday at 3 p.m. on 15 Sideroad near Fifth Line. A Toronto man has been charged with assault and uttering death threats stemming from the same incident, police said.

It was originally reported to police as a traffic accident, but when they arrived they found no accident had occurred. The investigation revealed that the 35-year-old Toronto man was so upset with the Barrie man's driving, he allegedly got out of his car and assaulted and threatened the man, police said.

A 41-year-old Georgetown resident was charged Friday at 8:30 a.m. with impaired driving, having over the legal limit of alcohol in his blood and dangerous driving. A motorist advised police of

someone driving erratically on Rexway Dr. near Prince Charles Dr., police said. They then arrested a man, and he is to appear in court in Milton on August 29.

At 1:30 a.m. Saturday, a 66-year-old Georgetown resident was charged with impaired driving and having over the legal limit of alcohol in his blood, police said. A man was seen by police driving on Guelph St. by Alcott Dr., and then was picked up when he was heading south on Mountainview Dr. He will appear in court on Aug. 8.

## Several charges

A 20-year-old Georgetown man faces several charges after a stolen car crashed into three newspaper boxes at 4 a.m. Wednesday.

Police initially saw a vehicle on Guelph St. and during a short pursuit, the driver of the 1988 Pontiac wasn't able to negotiate a curb and totalled the car at Main St. N. and Henry St., police said.

The investigation revealed that the car had been taken from a friend, police said.

A man has been charged with possession of a stolen property, impaired driving, dangerous driving, causing a pursuit and having over the legal limit of alcohol in his blood.

For over 10 years, our office has been a trusted name in providing quality and integrity in the field of denture construction. You will always receive that extra personal attention and commitment to your satisfaction. With this individual attention, fewer dentures will end up in the bottom drawer. For many years we have been licensed to serve you DIRECTLY. We are the only profession that spends 100% of our day specializing in the fabrication of dentures. We make new dentures, relines, repair, clean and adjust existing dentures, as we counsel denture patients about various denture problems. We make everything from start to finish in our own lab that is located right on the premises. There is no "middle man" that can boost costs. We work directly with the patient, and every state of denture construction is explained. Special attention is given to the type of teeth used, as well as the specific colour and shape that's right for you. The result is a custom cosmetic denture.
