Under-13 Girls

Sprinkles of rain were great for cooling the hot runners of the Under 13 Girls soccer league when the State Farm Phil Karda Lioness goalies Heather Stephens and Julie Thompson each saved at least 9 shots on goal from the State Farm side.
 The Lionesses were playing short handed and after a strong first half score of only 3-0 ran out of steam. Kicking well in defence for the State Farm team were Candace Wilson while Elizabeth De Jong and Kristin McDonald shared goalie duties. Drina Bosnjak and sister Natalia were fast runners for the Georgetown Lionesses. Goal scorers for the State Farm side were Sinead Irvine with a hat trick, Amanda Farrugia with 4, Kristina Zelek with 2 and Cindy Benner with 1.
 The Millieres TV team also played a tough running game - shorthanded with their 7 players to the Cakes of Elegance 11 aside. The Pink Panthers did well to contain the scoring at 5-0 from the Cakes of Elegance who shared the goals among Kira Lawrence, Laura Shields, Katie Locke and Tamara Gilmore. Running well for the Millieres TV Pink Panthers were Angela Horton and Lindsay Sproule while the Cakes players of note were Danielle Davis and Leah Crane.

Inter County soccer season is winding down fast

The Ontario Cup has been largely ignored by the column, mainly because the town has no interest this year and for several previous years, for that matter. Which is a shame, as I always found the competition to be very good. It is some years since Georgetown had even slightly competitive teams in competitive leagues.

Soccer in Canada is growing and at a tremendous pace in spite of a similar growth in baseball over the past few years. The O.S.A. is behind the move to build a soccer centre, and has been for some time. The news is of a centre for indoor and outdoor facilities in the city of Vaughan. A completion date of September, 1995 is projected for this major development. The York Regional Soccer Association are involved also.

It is a marvel that the Town can

boast of a number of senior teams, although recreational, which are registered. There are eight registered in town with one of them being mainly "outsiders", with local sponsorship. On the surrounds are Acton Villa and Milton and all playing in the Inter County Recreational League. The George and Dragon sponsors Mariners, Meteor, United and Eagles with Villa often to be found on the premises after games. The league provides space for open age groups (over 18 years) and many players have come through the local club ranks.

Some teams have had the same large nucleus of players for several years and over time have become good playing sides. Eagles are a fine experience. Several players were pretty rough at the edges and have developed into a team capable of knocking the ball around coupled

with strength and pace. At the moment, Ajax and Falcons and to a lesser extent, Blazers, have been going through a building or rebuilding spell. With time and perseverance they will come through.

In recent games there have been make up games, cup games and games played with stand in officials. Eagles and Meteor played to a 2-2 tie in a make up game at Alcott, which was well played by both teams. Earlier Blazers fell 1-3 to Caledon, who turned on the football in usual arrogant style

after going ahead. A little frustration on the part of a couple of Blazers saw one ejected for continuing abuse to the referee. Blazers had a glorious opportunity to take the lead when an early second half assault saw the ball strike the post and go across the face of the goal for a Blazer to blaze the ball wide. The game may well have been a different story had the chance been converted.

Caledon join Mariners, PRPA and the winners of Merseyside/Falcons in the semi finals of the Challenge Knock Out Cup towards the end of the month.

Eagles came back in the last five minutes with two goals from Mariners defensive errors to take a one goal win in an exciting game. The game was marred by a hot minute or tow with two players being ejected, one cautioned and

one missed, in the seventh minute of the first half. Blazers dropped a 1-3 result to visiting Merseyside, a team Blazers always play well against, without success. Falcons were on the receiving end of nine goal blast from Caledon. The Meteor/Meadowvale game was postponed for the second time due to field problems in Streetsville.

Villa gave themselves a boost with a fine 4-2 win at Milton despite a late start due to lights problems with the timer. United, with deputy Britannia, another example of a late flourishing team. PRPA gave league leaders, Winchester, a home defeat 2-0.. No result in from Ajax/Lions, folks.

Two league games to go and then the playoffs for the league. It does not seem like the season is this long already.
