# TAKE A BOW

Because of you, newspaper and flyer insert recovery in households with Blue Box service is an incredible 75%. Because of you, those newspapers - 250,000 tonnes of them - didn't end up in landfill. How much money did that save Ontario municipalities last year? Millions of dollars. Add that to the more than \$6 million revenue generated from the sale of a quarter of a million tonnes of old newspapers, and the cost of collecting newspapers through the Blue Box is more than covered. Surprised! Well, now that you know, take a bow.

Recycling newspapers and flyer inserts is a real Ontario success story. Thanks to you.
