GREEN THUMB GARDENING

By CHRISTINE COLE

Garden Bus Tour

It has been said that most people landscape the front of their house for their neighbours and their backyards for themselves. If that is so, then their backyards would most likely be more creative. It would also reveal their unique personal style. Front yards are usually on display for all to enjoy whereas backyards are more private. Unless you know someone with a beautifully landscaped backyard you rarely get a chance to view this domain.

To celebrate our 15th anniversary in business we have arranged a bus tour of some of the most beautiful gardens in Acton, Rockwood and area.

This is a rare opportunity to stroll through some private gardens. You may also discover some new plants or pick up some unique landscape ideas.

If you would like to join us on this Anniversary Garden Tour at a cost of \$3 per person, call 853-2480 by August 23, 1994 to reserve your seat. The tour takes place on August 27, 1994. The bus will be leaving the Garden Centre at 9 a.m. Coffee and cake will be served when we return.

Each week Christine Cole of Tuitman's Garden Centre and Landscaping, Highway 25, 1 mile south of Acton, 853-2480, will be presenting helpful tips and information to assist you in creating your garden show-place!
