Playoffs are all that remain for Inter County squads

Out of eight Inter County matches last week only four results were called in to the league, one of which came from a player and not the team official as regulated. One coach even called in after his game with a problem and did not even mention the score in his game. With this past Wednesday's games the league ends the closes out league divisional play and sets up for the playoffs. With league divisional results counting towards the play off set up for the round robin sections one would think that full cooperation would be forthcoming for team officials.

The single first division result in is Mariners 0 vs Meadowvale 2, the result from an excellent game of soccer. Both teams played superb along the ground movements with the Mariners ahead in all departments except putting the ball

in the net and keeping the ball out of the net at the other end. Mariners even missed a penalty kick at a crucial moment in the first half which would have given them the lead. The Mariner story of the season, it seems. Meadowvale clinched the first division title, their first ever, and deservedly so, two weeks ago.

In the second division United pulled off a 5-1 win over Ajax with both teams suffering an ejection for a mid game altercation between a couple of players. Retaliation and a third player in saw the reds being issued.

Villa put together another creditable performance, this time away to Britannia. A single goal to Britannia was enough to seal the point.

Milton's misfortunes continue. The team just cannot strike with

success and they lost 0-2 to contending PRPA. A late report in says that Lions held leader Winchester to a tie.

Meadowvale, Caledon, Merseyside and Mariners head the top four places in the first division with Falcons bringing up the rear.

At the moment, late results unknown, Merseyside, Mariners, Eagles and Blazers form one section in the play offs. Meadowvale, Caledon, Meteor and Falcons make up the other section. The groups may not change much from this set

up even after the final game results.

The second division groups are somewhat different to predict. Only Milton are certain of where they play. They may be with Villa/Ajax, Winchester and PRPA/Britannia /Lions - such are the possibilities.

A Thursday night meeting will be time consuming in setting up the playoff structure.

In Europe the game has restarted for the fall/winter season. The big surprise has to be Werder Bremen's loss in the first round of the German leagues cup tourney to an amateur outfit from Bayern Munich's club. Bremen won the trophy last year and is the first defending champion to lose in this round for twenty five years.

I cannot let the opportunity to go my beloved Hibernian won their opening Scottish Premier league game at home over Scottish cup

holders, Dundee United, by 5-0. What a start.

The average attendance at the World cup was 68,000 which is not too shabby. The largest crowd on record was the final between Brazil and Italy at 94,000 plus. The smallest crowd saw Nigeria/Bulgaria with 44,000 watching.

Top scorers were Sweden with 15 goals and Brazil had 11. Olag Salenko scored 5 goals in one game and with one other in the tourney tied Hristo Stoichkov with six goals as leading scorer. Romario of Brazil also scored six, but one was from the penalty kick shoot out in the final. Lothar Mathaus and Diego Maradona equalled the most appearance in the finals with 21 games each. The oldest player was Roger Milla of Cameroon at 42 and the youngest was nineteen year old Rigobert Song also of Cameroon.
