Yourway Muffler could be the best kept secret in Acton. The shop is located at 17 Agnes St. just off Main St. and, as the name implies, everything is done your way.

"We believe in doing it the customer's way," says co-owner Jason

"We'll give you advice," adds Ash's partner Lee Keffer, "but if the customer wants it done in a certain way that's the way it'll be done."

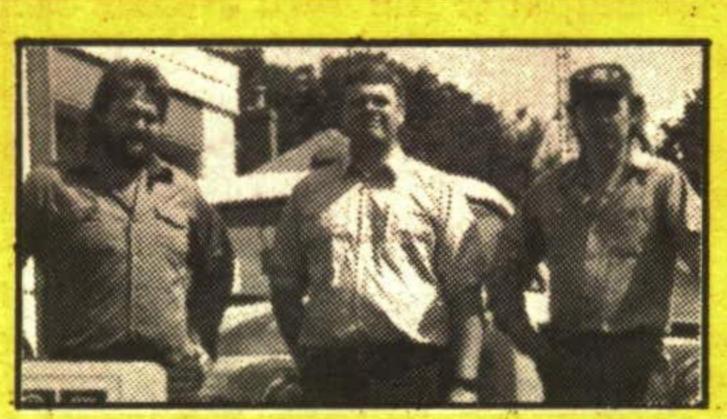

Ash, Keffer and another partner,

Dave Baker, opened the shop one year ago. In addition to mufflers and exhaust work, the shop does brake work, suspension work, tune ups, oil changes and licence and safety inspections.

"It's a muffler shop, but we do everything else," says Ash. And when Ash says "we," he

all of the work themselves. "When people come in, they're not talking to a mechanic, they're

means it. He, Keffer and Baker do

Jason Ash, Lee Keffer, Dave Baker

talking to the owner," says Ash, who has six years experience in the automotive repair field. "It's a very personal basis, very one-on-one."

Yourway offers a lifetime warranty on its mufflers, gives free estimates, charges only \$40 for each hour of labor and uses famous brand name parts.

"These are hard times, people just can't be throwing dollars away," says Keffer. To illustrate this belief, the three owners do not perform any work without full customer consent and they try, whenever possible, to repair parts instead of replacing them. The shop can accomodate all

makes and models of cars (Baker says they've even worked on a Jaguar), light trucks, vans and, with its 12-foot access garage, motor

Appointments are not necessary, but if you'd like to make one, call 853-0900. For those who've already discovered Yourway Muffler, Keffer sends out a special message. "We'd like to thank all the customers and friends that we've made in our first year of business," he says.
