

Advisory Group rotates to Halton Hills

The Halton Small Business Advisory Group made for the greater part of a decade its home base the municipal offices of the Halton Region. There the members met almost every Friday to give consultation to one or two small business persons.

During the past 10 years, they gave their help to more than 1,400 "clients." The group consists of about 14 members, all retired business people who base their advice on more than 500 cumulative years of experience.

In order to be closer to its public the group decided to operate on a rotating basis between Oakville, Burlington, Milton and Halton Hills. The mayors of these towns welcomed this development and offered meeting rooms in their respective town halls or similar facilities.

As of September 1st the new address of the group will be:

Halton Small Business Advisory Group Inc., 3017 St. Clair Ave. Suite 331, Burlington, Ontario L7N 3P5 tel: (905) 681-3222, fax: (905) 634-9095.

The "Open House" which in the past alternated between Oakville and Burlington will this year be held in both, Milton and Halton Hills. Dates and locations will be announced at a later date.

**THE DENTURIST
ASSOCIATION OF ONTARIO**

The Denturist Association of Ontario is a professional association incorporated under the law of Ontario. Most Denture Therapists belong to this association. The members of the association are bound by a strict code of ethics to maintain the highest standards of service to the public. Through this association its members are kept informed of new techniques, any new developments, and the latest materials in denture construction. There are many clinics, lectures, seminars; as well as a magazine that is put out 4 times a year. This magazine, "The Denturist," is the organized voice of full-time practitioners in dealing with the licensing board, the government, as well as other professional organizations.

This association is a member of the Denturist Association of Canada and the international Federation of Dental Prosthetists.

All activities of a licensed Denture Therapist are monitored by the provincially appointed nine-person Governing Board of Denture Therapists.

All denture therapy licenses must be renewed annually.
