ALEX TOUGH

Playoff time

The ladies league closed down for the season with games in Georgetown and Bolton last weekend.

Last Friday in town saw games at Alcott and Cedarvale and I had the pleasure of lining a couple of game.

Often, in recent seasons, teams were short of players in numbers and skills. This was not the case on Friday. The three 'Town teams were on the field. The Reds faced a young, skillful and fit Caledon outfit and the contest developed into the Caledon strikers versus the 'Town defence. The locals could not contain the Caledon striker who helped herself to three goals or more.

Greens then played United (in yellow) and a good match ensued. End to end play and very evenly fought. Greens took the lead on a slight mix up by the United defenders and increased their lead with a superb shot on the run from outside the penalty area on a loose ball from the defence. Late in the game a defensive mix up at the other end led to a high floating header going in for a United goal. The come back was too late to be fully effective and United ran out of time.

The results put United into the second flight for the finals with Reds and Chingacousy. Greens moved into the top flight against Brampton and Caledon. United defeated Reds and lost to Chingacousy and their chance of fame had gone, for this season at least. Greens also had a 1-1 game results on the Saturday and their chance for full glory also gone, for the present.

The Inter County playoffs began in disastrous fashion. No game officials showed for the four in town games.

Three matches went ahead with the agreement of the teams as to who would referee.

The Falcons found the going tough. Merseyside provided steamroller opposition to the shorthanded home side and ten goals were scored without reply by the end of the game.

Ajax and Winchester began late with their volunteer, a local official who happened by close to the scheduled kick off time. The game ended in a 0-0 tie, with the moral victory going to Ajax. Winchester are the second division league winners and a tie under any circumstances is creditable.

Mariners and Eagles also got off to a late start. The game, as with the two earlier season league games, was closely contested from the start. Eagles appeared to be less forceful at the start and Mariners took advantage and settled to apply their passing game. An early goal from Mariners was immediately replied with Eagles' equalizer straight from the kick off. Mariners retook the lead and were searching for more as the game progressed. They had the opportunity from the penalty spot but the chance was squandered by a poor effort. Mariners have now missed five of eight chances from the twelve yard spot. Eagles gained some heart from this moment and came close to converting a chance or two afterwards. However, a late counter sealed the result in Mariners' favour.

In other results, Milton tied 2-2 with shorthanded PRPA; Lions defeated Villa by 5-0 and United had a 4-1 win at Britannia.

Neilson's Day of Champions

GBA hands out silverware

The sun shone on Saturday, August 27th for 750 house league baseball players. The day was generously sponsored by Neilson's Dairy of Georgetown. The following are the days results:
