

## Playoffs filled with emotion

Some may call it excitement, some may call it emotion, we have seen several ejections from the last few games in the Inter County league playoffs and knock out cup.

Also from the final of the senior men's Ontario Cup final came ejections. I cannot recall so many at the same time frame of a season for many years.

Bramalea Thistle fell at the last hurdle to Scarborough Azzurri by the lone goal of the game on a direct free kick whilst many players were waiting around and not paying attention.

Both teams faced a players ejection for violent conduct. Disappointment for Thistle, who have at least three Merseyside players in their line up.

Merseyside dropped a semi-final play off decision to first division winners, Meadowvale by 3-0.

They also lost a players who was ejected for a second caution and is reported to have received a second red after the ejection. The Merseyside player may also be in trouble for his actions during the game when approaching the opposing bench.

Mersey are in danger of losing a good behaviour bond which is hanging over the club.

The other semi-final between Caledon and Eagles was much tamer and saner, although Caledon received a booking or two for dissent.

Eagles fought hard, missing Jamie Walraven in midfield for the match. Eagles late flourish was just not enough to prevent a 2-3 loss.

The final was at Syntex this Wednesday.

The second division playoffs semifinals were held in Milton and

United defeated Lions by 1-0 with Britannia defeating Winchester by 1-0. United and Britannia are in the final for the first time.

In a make up league game United defeated PRPA by 2-1 which game also saw an ejection from each team.

There is a further game to be completed in the first division.

Although Meadowvale are champions in league play they have one match to play.

Their opponent is local Meteor who need a tie or win to remain in the first division.

Should the Meteors achieve their goal the Blazers will be in danger of going down to the second division next season, with Falcons.

The Knock Out semifinals were played in Brampton with Mariners coming up flat against Caledon who triumphed by 4-2.

The Mariners were in the game for only a small spell and did not play to their own standards.

Again, an ejection for each team.

The other semifinals saw PRPA take care of Merseyside by the overwhelming score of 8-2.

The second division team swamped Merseyside from the start and did not let go.

Nothing but ejections seem to have been the one consistent factor towards the end of the season.

Thank goodness the season is coming to an end.
