Police seek suspects

By Sgt. ROD CLIFFE
CrimeStoppers of Halton

Police believe someone with electrical knowledge was probably involved in a theft in Acton early this month, and investigators hope the public can help identify whoever is responsible.

Some time between October 7 and 11, 1,600 feet of inch-thick copper wire were stolen from the Beardmore Tannery on Elgin Street. Electricity was passing through the lines (suspended from roof supports) at the time of the theft.

The weight of the stolen material was estimated to be in the area of half a ton, and was worth between \$2,000 and \$5,000.

If you are aware of a person who suddenly came into possession of a substantial quantity of copper wire, give Crime Stoppers a call.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information will be treated with complete anonymity. Crime Stoppers does not subscribe to call display.

Please call 1-800-668-5151 or 825-TIPS (That's 825-8477)

Crime Stoppers of Halton is operated by a Board of Directors made up of 18 civilians. Crime Stoppers is interested in hearing from anyone who may be able to identify a suspect.
