Exhibition tilt

The P.D.S. Major Atom "AA" Raiders will be hosting an exhibition game against the P.D.S. Major Atom "AAA" Mississauga Reps on Thursday, Nov. 24 at 6 p.m. in the Alcott Arena. Professional Demonstration Services has been a great sponsor for both teams and it is one way that both teams can repay their sponsor and their staff. Now that most of the Rep teams

and the House League shuffling should be done by now, we should be seeing some great hockey games from now until the end of the season. There have been a few breaks in the action due to the Novice/Atom and the Hockey Heritage tournaments, but the next break in the action is not until March Break.

The quality of hockey players in Georgetown is increasing every year with the programs and population growing at a steady pace. Check the schedules in the paper every week and drop over to one of the arenas to take in a game of two. I think you will be pleasantly surprised.

Special thanks

To the person that turned in my binder to Alcott Arena. Thank You. The arena staff did not know who you were but if you give me a call, I would like to know where you found it so I could look for the rest of my files and brief case.
