

Toastmasters celebrate with carols

The Halton Hills Toastmasters public speaking organization, gathered in the Georgetown Marketplace last Monday to help shoppers get into the Christmas spirit, by singing a few carols. The group was taking donations for an adopted family through the Salvation Army, while they harmonized a number of Christmas favorites. The Toastmasters assemble in the Glen Williams town hall regularly to practise public speaking about selected topics, and welcome visitors. The group is a member of Toastmasters International.

Collecting for Christmas

Christmas is almost here but for some of the children in our community there won't be much to celebrate.

The Children's and Youth Foundation is collecting gifts for needy children and has arranged for drop boxes for new unwrapped toys, clothes and other gift items as well as containers for cash donations to be placed in each of the town halls (Oakville, Milton, Burlington and Halton Hills). While toys for younger children are much appreciated, there is special need for gifts for older children and teenagers.

Please drop off your gift at the town hall nearest you, and create a little Christmas magic for a child. Toys and cash donations may be dropped off Halton Hills Town Hall, 1 Halton Hills Drive, Georgetown.

The staff at Alex Trenton's Office have written a Christmas carol and dedicated to him!

Sung to the tune of
Frosty The Snowman!

"ALEX THE DENTURIST"

Alex the dentist, was a talented happy guy with his caring staff, and his friendly laugh he makes the best dentures that no lie!

Alex the dentist, makes everything right here

In his own lab, and that not all He guarantees them, there's no fear!

There must be special magic in his toothy hands they say,
Just pop his dentures in your mouth
And soon you'll be chewing steak!

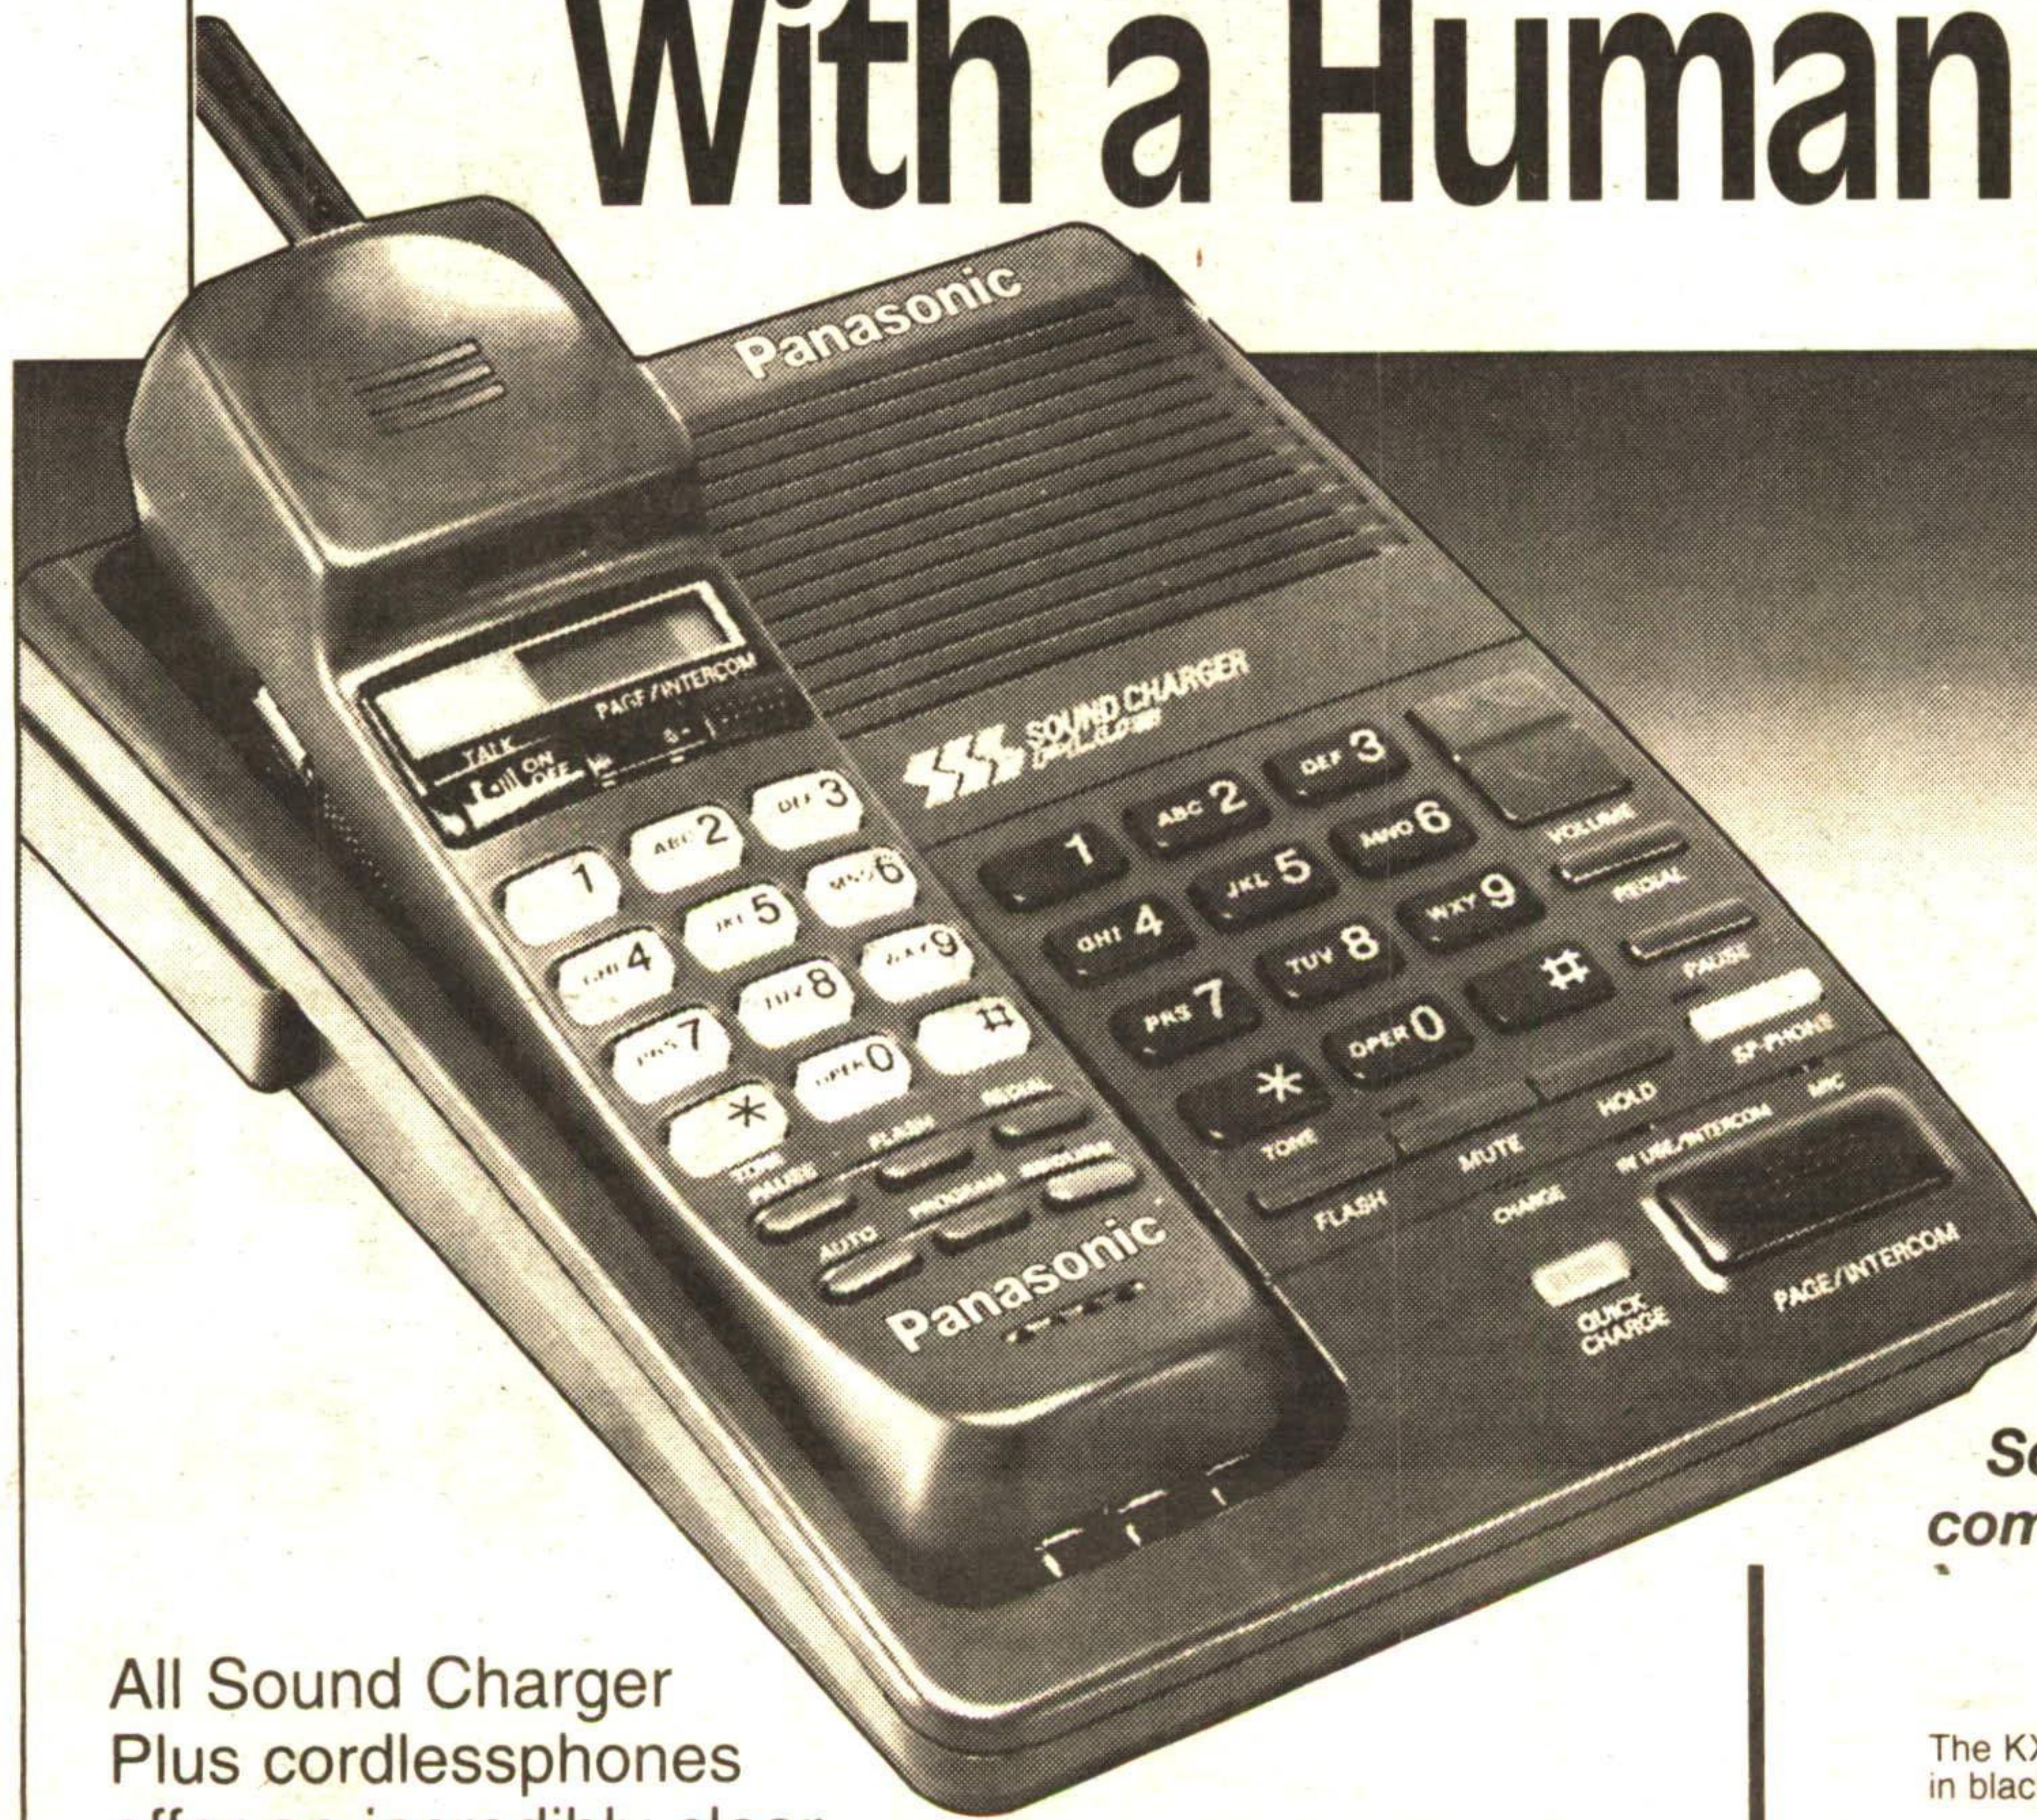

Oh Alex the dentist, will be here for quite a while!
Cause his patients chew, having problems few
Cause he "Cares About Your Smile!"
