## JOIN US!

Art is proving to have many wonderful forms as Art in the Afternoon takes shape. Along with painters in watercolors, oils, pastels and acrylics we have many artists in three dimensions including potters, sculptors, wood turners, stained glass artists, glass blowers and even artist designed handmade bears.

Everyone can enjoy the artistic architecture of the Downtown area on a walking tour of the town at 2 p.m. daily. Wine tasting is an art that can be enjoyed by adult company and story telling by a more junior audience.

Junior artists will have the chance to shine in the Georgetown Independent sponsored Junior Art competition entries on Friday, August 23 from 1 to 4 p.m.
