COMMITTED TO YOUR COMFORT

When winter starts, will your furnace?

Your furnace needs expert care to ensure it's up and running when you need it this fall. That's where our 'Peace-Of-Mind' preventative maintenance program comes in. Simply call us this summer while our appointment books are less busy, and one of our experts will come and perform a thorough, top-to-bottom check of your furnace for only \$79.95.* Then when the first cold snap hits, your furnace will be ready to keep you warm and comfortable all winter long.

Choose from one of our three packages:

1. Top-to-Bottom furnace service \$79.95*

20 point service maintenance including a carbon monoxide test and leak detection on visible pipe.

2. Same-time fireplace service \$39.95*

Get our 8 point inside-out gas fireplace service the same time as your furnace service and save \$20.00. (Regular price \$59.95.)

3. Same-time air conditioner service \$59.95*

Combine the air conditioner service with your furnace service and save \$20.00. (Regular price \$79.95.*) Our 14 point check includes cleaning your outdoor unit.
