Three generations of artists exhibit

First Born Daughters, the art show at Rockside Studio on Aug. 24 and 25 is a unique presentation with a unique premise.

In addition to being a show and sale of art, it is also a celebration of three women from three generations working in the same field.

The show is the brainchild of painter Susan Strachan Johnson who, when reflecting on the fact that both her mother and daughter were

artists, realized that all three of them were first born daughters as well.

Paintings, prints and objets d'art by Johnson, her mother Isobel June Berstein and her daughter Sophie J. H. Johnson will be featured.

Rockside Studio is located at 0119 Main St., Everton south of Hwy. 24 and north of Hwy. 7. The show is open Saturday and Sunday, Aug. 24 and 25, 10 a.m. to 5 p.m.

For information call 856-2364.

Mom, daughter and granddaughter exhibit together. From left, Sophie J.H. Johnson, Isobel June Berstein and Susan Strachan Johnson.
