### Acton Denture Clinic owner has 25 years experience

Roman Pilarski has nearly 25 years experience with dentures and he's open for business at his new clinic.

The Acton Denture Clinic on 16 Mill St. E. has been open since June 7. At the clinic you

can get a free consultation, offered by Pilarski.

"As a child the white coat and the idea of taking care of people appealed to me," says Pilarski.

A graduate of George Brown College of Applied Arts and

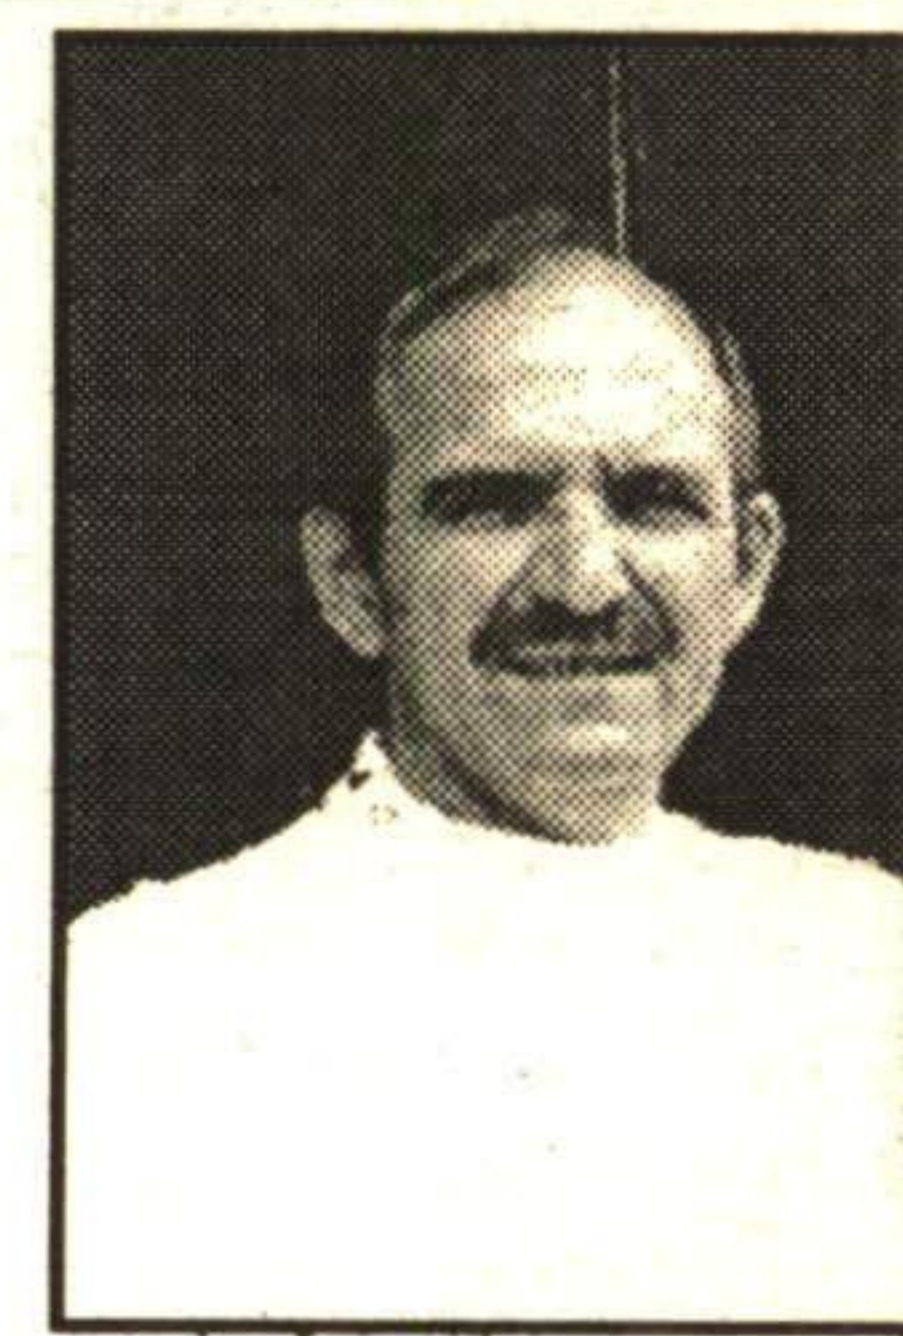

Technology Pilarski received his licence in 1974. He was a dental technician for a short period of time before entering the field of dentureology.

"I was involved in helping create (what was then) a new profession in 1972 called den-

turism," says Pilarski.

The clinic is open Tuesday 9 a.m. to 12 p.m., Thursday 2-6 p.m. and on Saturdays by request.

For more information call the clinic at 853-0079.
