

Acton's Home Hardware now has new owners

BY TED BROWN
Staff Writer

Customers walking into Acton Home Hardware will see a couple of new faces behind the counter whenever they drop by the store.

Effective August 15, Bill and Val Manes are the new owners of the Mill Street store, taking over from the Kinal family—Mike, his wife Bernice, and their son Charlie, who operated the business for the past 24 years.

The Manes are no strangers to retail business, as they ran a travel agency in Brampton in the early 1990s. Bill also worked for Halton Hills Hydro for the past five years, and prior to that time spent 10 years with Milton Hydro.

As new owners, both Bill and Val are excited about customizing their inventory to serve their customers.

"We hope to run a suggestion program," says Bill, "To learn what items our customers may need. That way we can serve their demands a little better."

"Since the closing of Canadian Tire in Acton," adds Val, "many customers have dropped by looking

for items that this store has never carried before. Customer service is our number one priority, so we want to be able to carry those items our customers need."

Although Bill and Val intend to add their own personal touches to the store, they will keep all three full-time employees, as well as the one part-time on staff. And they will continue to offer the many services the store has had in the past, some of which even the new owners weren't aware.

"I played hockey in town as a kid for years," says Bill, "And yet I never knew I could get skates sharpened here. When we bought the store, I learned people had been dropping by to have them sharpened for years."

In addition to skate sharpening, the store will still offer traditional hardware services like glass cutting, screen repair, saw cutting, and jewelry

sharpening, key repair.

"And if you don't see it in the store," says Val, "Don't be afraid to ask."

Store hours will continue 8 a.m. to 7 p.m. Monday to Wednesday, 8 a.m. to 8 p.m. Thursday and Friday, 8 a.m. to 6 p.m. Saturday and 10 a.m. to 4 p.m. on Sundays.

Bill and Val Manes are the new owners of Acton Home Hardware.

NEW EYES NEW OUTLOOK

The eyelids are frequently the first to show signs of aging resulting in a tired, sad appearance.

First, there may be excess skin in both the upper and lower eyelids. The second problem is the accumulation of fat which causes "baggy" eyelids. This is frequently present in both the upper and lower eyelids.

With the latest techniques, eyelid surgery can remove the excess skin and fat pads, resulting in a rested, youthful appearance.

The results are longer lasting than ever.

FIND OUT HOW YOU CAN IMPROVE NOT ONLY HOW YOU LOOK, BUT HOW YOU FEEL.
