Funding opportunity for non-profit agencies

Halton Region is now accepting funding applications through the Halton Region Community Investment Fund (HRCIF). The HRCIF provides funding to non-profit organizations that deliver community health or social service programs to Halton residents. Two categories of funding are available to organizations that meet eligibility criteria.

Category One provides one year funding to non-profit, charitable or community organizations for short-term, small capital and/or innovative projects. Category One grants are awarded for a maximum of one year, for an amount up to \$20,000. The deadline for Category One applications is November 27, 2015 at 2 p.m.

Category Two provides up to three years of program funding for charitable organizations. The deadline for Category Two applications is December 4, 2015 at 2 p.m. During this proposal call, there is approximately

\$200,000 available for funding commitments in each of 2016, 2017 and 2018.

"The non-profit sector and community volunteers provide tremendous support to individuals and families in Halton," said Halton Regional Chair Gary Carr. "Halton Regional Council is committed to keeping Halton a great place to live, work, raise a family and retire for all our residents and the non-profit sector helps our community thrive."

Organizations interested in applying can learn more about the HRCIF by attending the information session on Tuesday, November 3 from 10 a.m. - 12 p.m. at the Gellert Community Centre (Kinsmen Hall A), 10241 Eighth Line in Halton Hills.
