

FIRE REPORT

Sunday, October 18

At 8:24 p.m. Fire fighters responded to a carbon monoxide (CO) activation on Main St N in Acton. On scene staff checked the home with detectors and zero readings were found. The homeowner was advised to replace the CO detector due to age and malfunction.

Monday, October 19

At 1:15 p.m. Fire fighters responded to a burn

complaint in the area of 25 Sideroad and Nasagaweya/Esquesing Townline. No Permit was available and the fire was extinguished. The occupant was advised of the requirement for Burn Permits for any future burns.

Tuesday, October 20

At 12:10 p.m. Fire fighters responded to an ambulance assist on Main St S in Acton. Ambulance was on scene upon arrival and advised

fire was not required.

At 7:49 p.m. Fire fighters responded to a carbon monoxide (CO) activation on Agnes Street in Acton. On scene staff checked the home with detectors and zero readings were found. As part of the 2015 CO Awareness Campaign fire firefighters provided and installed at no charge a new CO alarm since the existing device was found to be faulty.

HILLSVIEW REPORT

Hot off the press—the latest copy of Hillsview is at the reception desk. Pick yours up so you will be up to date on the current news and events happening over the next three months, including some special events for Christmas. You will be pleased to see some new programs planned for the winter months including the second session of Beginners Spanish lessons and Level 1 Spanish Lessons for those who

completed the first session or have some knowledge and wish to brush up their skills. If there is enough interest you can also learn conversational French. The classes start on Monday, January 18 and run until April 18. Please sign up if you are interested. The classes will only run if there are enough participants.

Tomorrow (Friday, October 30) is our annual Halloween Dance. There will be prizes for the best costumes, door prizes and great music. If you have attended any of the events at the Centre, you know we always have a great time. I am sure there will be some creative costumes. If you don't like getting dressed up just come and enjoy watching everyone else. There will be a cash bar with wine, beer and pop for sale plus light refreshments. Tickets will be available at the door.

The Casino Rama trip on October 28 was the last one for the year. Sometime the weather can be a deterrent during the winter months. Hopefully they will restart in the spring if someone volunteers to coordinate the monthly trips.

On Tuesday, November 3 at 7 p.m. the evening movie will be *Water Diviner*.

On Tuesday, November 17 at 12 p.m. there will be a *Reach Out Festive Lunch*. There is a minimum cost and the price includes a holiday craft keepsake. You will also help decorate the tree. This is always a popular event. As usual sign up and pay if you are interested.

Now the weather is not quite as pleasant, and you feel you aren't getting the exercise you had over the summer, did you know that you can borrow a free two week Adult Sweat and

By: Julie Conroy

Swim pass or a skating pass? Just ask at the Centre. There are lots of ways of keeping fit over the winter including pole walking at the Dufferin Centre, or just walking around the circuit at your own pace. Join our Friday morning hikers explore the trails around Halton Hills.

Another great way of exercising and having fun is the social dancing on Thursday afternoons.

On Monday, November 9 at 7 p.m. or Tuesday, November 10 at 10 a.m. there will be a *Community Conversation about Housing* presentation. Do you need a home or have too much house? There will be community professionals here to answer your questions and offer you advice.

Just a reminder to all the snow birds, the annual membership fee is due by December 31, 2015 for your 2016 membership.

Last Friday following lunch, members of the Spear family joined members of the Centre when son Dick Spear and daughter Vicki Anderson each placed a leaf purchased by members of the Centre in memory of their mother Marg on our Tree of Hope. She was a dedicated member of the Centre and enjoyed many activities here especially Bingo every Friday afternoon. We will miss her.

Thinking of Bingo, there were 30 people playing last Friday. It's nice to see a crowd out enjoying the game.

Only Shirley Hunter had a mooner at Bid Euchre last week.

There was no 50/50 winner at this week. Next week the amount should be around \$120.

Lunch on Friday, November 6 will be spaghetti and meat balls, plus salad and dessert.

TOWN OF

HALTON HILLS

OVERNIGHT PARKING RESTRICTION

Uniform Traffic Control

By-law No. 84-1 prohibits parking on any highway between:

2:00 a.m. 6:00 a.m. (Daily)

November 15, 2015 to April 15, 2016

Applies to all streets under the jurisdiction of the Town of Halton Hills, unless authorized signs indicating otherwise are specifically posted. Motorists are reminded that By-law No. 84-1 also prohibits the parking of a vehicle on all Town or Regional Roads for longer than 5 (five) consecutive hours at any single location, unless otherwise specifically posted.

On-street parking hinders snow clearing and other road maintenance operations. Your co-operation is requested. Please comply with the requirements of this By-law.

AUTHORITIES MAY HAVE VEHICLES TICKETED OR TOWED AWAY AT THE OWNER'S EXPENSE.

Motorists should note that Parking Control Officers will be on patrol through the duration of the parking restriction period and will ticket and/or have the offending vehicle removed.

Snow Removal

The placing or pushing of snow or ice onto roadways or cleared sidewalks will obstruct or encumber vehicular and pedestrian traffic. Do not push snow across roadways because the trail of snow does turn to ice. The Town's Obstruction, Encumbering or Fouling of Highways By-law No. 90-68 prohibits such action.

AUTHORITIES MAY HAVE SNOW AND ICE REMOVED AT THE PROPERTY OWNER'S EXPENSE.

Improper snow and ice clearing can be a serious hazard to motorists and pedestrians. Your co-operation is requested. Please comply with the requirements of this By-law.

The winter season will soon be upon us. Be alert for snow plows and stay back at least 15 meters behind the trucks. Please avoid parking on streets during snowstorms to assist Public Works staff with winter control.
