

HILLSVIEW REPORT

By: Julie Conroy

Whoops, I goofed in my column last week, I had November 23 for our Christmas Fair and of course it should have been November 21. The block ad is correct. Hopefully we will see many of you at the Christmas Fair and lunch on Saturday. We will start a little earlier than in other years, this year due to the Santa Claus Parade.

We will be having our annual Christmas Dinner and Dance at Blue Springs Golf Course on December 10, and tickets are available now. Jay Nielson will provide the entertainment. We will be offering a free bus ride to the event if there is enough interest. Pick up points will be - the arena carpark, Church/Maria Street Apartments, Elizabeth Apartments and Birchway Apartments. If you would like a ride please sign the appropriate sheet. Pickup times will be announced later.

Still in the holiday spirit Halton Hills will be doing the 'Light up the Hills' on December 1 at 7 p.m. The trees along Hwy 7 adjoining the arena will be a dazzling display. Come out and join in the festivities.

Have you always wanted to go to China? There is a presentation at the Centre on Tuesday, December 8 at 1:30 p.m. This is a great opportunity to find out all about this once in a life time trip.

Once again Hillsview Active Living Centre is taking part in the Holiday Hamper Program through Links2Care. If you would like to help in any way the *unwrapped* items needed are children's pyjamas, socks, underwear, toiletries, shampoo, gift cards from Giant Tiger or Shoppers Drug Mart. For seniors; nightwear, housecoat, sweaters, toiletries, shampoo, boxed cookies, gift cards, small appliances etc., There is a tote box near the office to collect these items, and items must be here by Friday, December 11. If you are donating a gift card please do not drop it in the box, but give it to the receptionist.

Book lovers please note the monthly Tuesday evening book club will be on Tuesday, December 1 at 7 p.m. not November 24 as printed in our newsletter. (This would have been the

same evening as the Acton Seniors Christmas Dinner sponsored by the Acton Legion and Rotary).

There were two mooners at last Thursday afternoons bid euchre, Thelma Jordan and Frances Hogenbirk.

SALT will be having a presentation *It's Not Right* on Tuesday, November 24 at 1:30 p.m. Come out and

learn how to change our attitudes and our responses in how we talk, deal and respect each other.

Lunch on Friday, November 20 will be Pizza and salad. This will free up the kitchen so we can get a head start on some of the prep work for the lunch on Saturday at the Christmas Fair. People are asking if the lunch will be different to the tea usually served. The answer is no. It will be our usual great selection of sandwiches and delicious squares and

CHRISTMAS CRAFTS: Cathy Vandenhoeck, Dave Maloney and Joan Maloney enjoyed learning a Christmas craft at the Reach Out Christmas lunch at the Hillsview Active Living Centre - Acton on Tuesday. - Submitted photo

cookies, plus tea or coffee. Friday lunch on November 27 will be soup and

sandwiches, plus dessert, tea and coffee.

There was no winner

this Friday in the 50/50 draw. Next week it should be around \$130.

NOTICE OF PUBLIC INFORMATION CENTRE #3

Class Environmental Assessment Study Trafalgar Road (Regional Road 3) Transportation Corridor Improvements Steeles Avenue (Regional Road 8) to Highway 7, Town of Halton Hills PR-2960A/PR-2961A

The Study

Halton Region is undertaking a Municipal Class Environmental Assessment (Class EA) study to further improve public safety and undertake road improvements along the Trafalgar Road (Regional Road 3) corridor from Steeles Avenue (Regional Road 8) to Highway 7, within the Town of Halton Hills.

To best address road safety and travel demand along Trafalgar Road, a number of road improvement alternatives have been examined as part of this study, including intersection improvements, active transportation and overall traffic operations to 2031. The impact of road improvements on social, cultural, economic and natural environments have been evaluated and assessed during the study.

The Process

The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (October 2000, amended 2007 and 2011), which is approved under the *Ontario Environmental Assessment Act*. Previous Public Information Centres (PIC's) were held on November 20, 2014 and June 17, 2015 to obtain public input.

A final Public Information Centre will be held to present the design concepts, evaluation of alternatives and the recommended preliminary preferred design. The final Public Information Centre has been arranged for:

Date: Wednesday, December 2, 2015
Time: Drop-in: 6:30 – 8:30 p.m.
Location: Gordon Alcott Heritage Hall, Mold-Masters SportsPlex, 221 Guelph Street, Georgetown

Comments

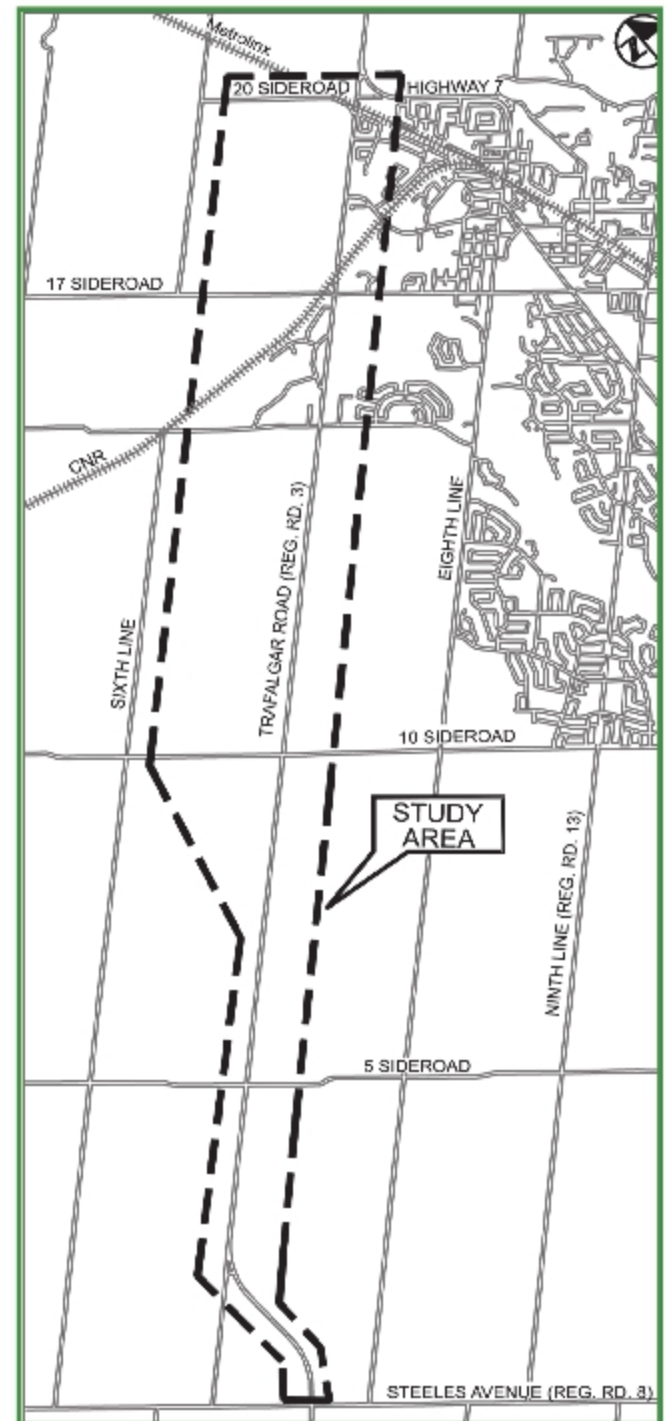

If you are unable to attend the Public Information Centre and would like to provide comments, please forward them by Friday, December 18, 2015 to either Project Team member. For more information on this project, please visit the project website at halton.ca/EAprojects.
